Dear Families,

Please be advised that effective April 1st, our medication policy will be updated. Over-the-counter medications will no longer be permitted on campus or administered to students without a doctor's note and signature.

This change is being implemented to ensure the safety and well-being of all children in our care and to remain in compliance with state regulations.

If your child requires medication, please ensure that all necessary documentation is provided prior to bringing the medication to the school. If you have any questions, feel free to reach out to us.

Thank you for your understanding and cooperation.

Newsletter

Music Monday

Have your children grab their favorite instrument and play it loud and proud! You could even start a parade around the center with each child making their own music.

Tasty Tuesday

Children can explore their sense of taste! Have them make a taco pie and then try it out and see if they like it!

Work Together Wednesday

Children can work together to build and then explore a sensory garden! Have them plant seeds, dig through soil and count rocks to build numeracy, fine motor, and sensory skills!

Artsy Thursday

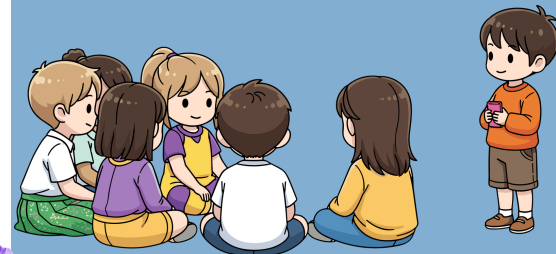

Time to bust out your favorite arts and crafts! Have the children get artsy and develop their fine motor and literacy skills by drawing, painting, cutting, and gluing with a variety of materials!

Family Friday

End the week developing social-emotional skills! Have each child share about a family member or two with the group!
