Family Connection – Welcome

Kids R Kids

Date _____

Dear Family,

Our current Fundamental Focus is **Getting to Know You**. The Character Connection for this focus is **respect**. The theme this week is **Welcome**. The Word of the Week is **welcome**. Use these words, **welcome** and **respect**, often in conversation to build understanding and increase vocabulary. This week your child will:

identify Ww
help establish and follow rules and routines
interpret a pictorial schedule and describe the passage of time
use pictures and symbols to identify concepts

Please help with homework.

- Encourage your child to learn his personal information and practice rules and routines at home.
- Play games to look for things that begin with the letter Ww.
- Familiarize your child with a calendar and schedules by calling attention to events you have scheduled on your calendar.

If you have any of the following items at home, we will gladly use them to boost our fun:

_____ _____

_____ _____

_____ _____

Please take time each day to discuss school events. Ask questions and offer feedback. Review the work your child brings home and find a special place for displaying the work.

I am pleased to have your child in my classroom. Please feel free to share your concerns and ideas. I look forward to a wonderful year and hope you will visit often.

Sincerely,

STEAM AHEAD CURRICULUM

THINK LEARN TEACH DIFFERENTLY

General Information
