Discipline and Behavior Management Policy

Praise, positive reinforcement, and redirection are effective methods for behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy taken from Kids 'R' Kids Parent Handbook and the NAEYC Code of Ethics.

At Kids 'R' Kids Schools of Quality Learning we use a method of 'redirection' to guide children toward appropriate behavior. If a child is engaged in behavior that is not conducive to a safe and happy learning environment, the teacher will "redirect" the child toward appropriate behavior.

"Above all, we shall not harm children. We will not participate in practices that are disrespectful, degrading, dangerous, exploitative, intimidating, emotionally damaging, or physically harmful to children." (NAEYC Code of Ethics – Principle 1.1)

I, the undersigned parent or guardian of _____ (print child's full name), do hereby state that I have received a copy of the facility's Discipline and Behavior Management Policy and that the facility's director (or the other designated staff member) has discussed the facility's Discipline and Behavior Management Policy with me.
