♥ Welcome to Kindergarten

Did you know that Kids R Kids of Barker Cypress has its very own Private Kindergarten? It in fact does, and Wheeler Academy has been educating many of our graduating Pre K students since 2003. The teachers at Wheeler have many years of combined experience teaching at the Pre K and Kindergarten levels. I am Mrs. Rachael and have been here for almost 12 years and Ms. Susan is going on 2 years here at KRK/ Wheeler Academy. Our curriculum includes all of the TEKS mandated by the State of Texas for Kindergarten completion. In our program, all of the children are assessed 4 times throughout the year and receive a comprehensive and detailed Report Card every 9 weeks. We truly enjoy working with our students and seeing them excel in the subject areas provided. Our students have mastered their Kindergarten SIGHT WORDS and are excelling in Math especially in Addition and Subtraction. We have also partnered with Mr. D to instruct our students in the Spanish language. All of our students have been introduced to the colors, shapes, alphabet, numbers, Seasons, Days of the Week and Months. Currently all of our children are counting from 1-100 in Spanish on a daily basis. The children here at Wheeler Academy also have holiday-themed projects and Book Character Reports that they complete and are displayed here in our building. We also honored our areas 1<sup>st</sup> Responders in collecting items in which we created gift baskets to present to them during our tour of their Fire Station. Our children have the opportunity to take a Credit-by-Exam test at the end of the year. In taking this test a student can skip Kindergarten in the public school they will attend the following year. We recently received news about a student from last year's class. He took the CBE test and passed with flying colors. He started 1<sup>st</sup> grade at Postma Elementary and has earned straight E's on his Report Card for the entire year thus far. He has been tested again and will enter the 2<sup>nd</sup> grade for the 2019-2020 year in their Gifted and Talented Program. We are proud of this student as he continues to shine and share the fruits of our Kindergarten program. Ms. Susan and I believe that we have both been "called" to teach Kindergarten and therefore we TEACH FROM THE HEART! Lastly, I must say that WHEELER WILDCATS ARE WONDERFUL!

# Congrats Graduates of 2019

*"You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose. You're on your own. And you know what you know. You are the guy who'll decide where to go." Dr. Seuss*

2019 Summer  
Camp

**#RedefiningSummer**

*We are excited to launch a new twist on camp where kids are redefining summer and turning ordinary days into the extraordinary. Kaleidoscope 360° will spin this summer into a unique dimension of discovery, fun, and friendship. Be sure to stop by and pick up a 2019 Summer Calendar.*
