

Who we are:

Soccer Shots is an engaging children's soccer program for ages 2 to 8 with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching, communication and curriculum.

Coaching

You can feel confident that the person coaching has met our strict coaching standards and has been trained in the use of developmentally appropriate techniques.

Curriculum

Our curriculum is developed in alignment with state early childhood education standards. Children will learn from a curriculum that is built for his/her age group.

Communication

We will always keep families informed on what their child is learning, and we are committed to responding to questions in a timely, professional manner.

Our programs:

MINI 2 to 3 year olds

Soccer Shots Mini is a high-energy program introducing children to fundamental soccer principles, such as using your feet, dribbling and the basic rules of the game. Through fun games, songs and positive reinforcement, children will begin to experience the joy of playing soccer and being active.

CLASSIC 3 to 5 year olds (Pre-K)

Soccer Shots Classic utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing and shooting. We also highlight a positive character trait each session such as respect, teamwork and appreciation.

PREMIER School-age (K-2nd)

Soccer Shots Premier focuses on individual skill, fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Children will also be introduced to competition in a developmentally appropriate manner.
