## A Parents Guide to Childcare

When you choose licensed child care, you and your family join your child in new experiences and relationships. You, the Center Director, child-care staff, and other people in the day-care center have a responsibility to protect the health, safety, and well being of your child. The Texas Department of Family and Protective Services, Licensing Division, is part of this partnership, too.

Minimum standards require your child-care provider to give you a copy of this pamphlet. You need to sign the receipt form to verify that you have received it and discussed the material with facility staff.

### WHAT IS DAY-CARE LICENSING?

The Licensing Division was established by law to regulate child-care facilities to help protect the health, safety, and well being of children in care.

With the assistance of child-care providers and experts in areas such as child development, early childhood education, fire safety, health, and sanitation, the Licensing Division develops minimum standards.

Licensing staff inspect day-care centers, private kindergartens and nursery schools, some unaccredited private schools, group day-care homes, and drop-in care centers to be sure that minimum standards are met. The staff also investigates complaints about violations of the minimum standards and the child-care licensing law.

Your day-care facility is responsible for meeting minimum standards. Many day-care programs exceed these requirements. Licensing does not regulate day-care fees, collection policies, or the kind of learning program your day-care facility offers. Each facility has its own special personality and approach to educating and caring for children. Parents can choose the kind of program that best meets the needs of their child and family.

### IT IS IMPORTANT FOR YOU TO KNOW

- When you visit a child-care facility, ask to see the license. The license means that the facility met the minimum licensing standards the last time it was inspected for such things as fire, sanitation, and safety; the number of child-care staff required; staff qualifications; and requirements for special services.
- Minimum standards prohibit persons who have been convicted of certain crimes from having contact with children in care.

- Compliance with minimum standards does not guarantee high quality child care. They are called “minimum standards” because no one is allowed to operate below these standards.
- A copy of the minimum standards is available for you to review at your child-care facility. You can also request a copy of these standards from your local day-care licensing office. A list of these offices may be found on the DFPS website: [www.dfps.state.tx.us](http://www.dfps.state.tx.us) or by calling the Child Care Information Line at 1-800-862-5252.

## **ESTABLISH A GOOD RELATIONSHIP WITH THE DAY-CARE FACILITY**

- Spend time at the day-care facility before you enroll your child. Ask questions about the program and observe the activities. Make sure the day-care facility has all the information needed about your child and family to provide good care.
- Work with the staff of the day-care facility you choose. Parent involvement is an important part of a successful experience with day care.
- Read all the material the day-care provider gives you. In addition to material required by licensing standards, each facility has its own policies and requirements. It’s important that you understand these requirements before you enroll your child. It’s equally important, once your child is in care, to read the notices, special requests, notes, and other materials the day-care provider sends home.
- Drop in occasionally during the day to observe how your child interacts with staff and other children and get a good picture of the day-to-day activities at the center. Be careful not to disrupt activities.
- Keep your side of the bargain. Pick up your child on time.
- Discuss concerns with the Center Director. Be aware that the teacher’s main responsibility is working with the children. Don’t be offended if the teacher can’t spend much time talking with you when you drop off or pick up your child. If you need more time to talk about your child, set up a conference.
- It’s important to let the child-care facility know about things at home that may affect how your child is doing.

## **WHEN YOUR CHILD STARTS DAY CARE**

- Remember that it’s normal for a child to have some fears and misgivings about starting day care. Children need time to get used to new situations. Prepare your children for the change as far in advance as possible. Discuss their concerns. If you’re enthusiastic, chances are they soon will be, too.
- Depending on their ages, some children will temporarily “act out” their feelings by clinging to you and refusing to let go, forgetting their toilet training, having bad dreams, sucking their thumbs, or other such behavior.
- Work with the Center Director and your child’s teacher on this.

## **TALK THINGS OVER WITH YOUR CHILD**

Make an opportunity each day to gently ask questions when your children are quiet and feeling secure and protected. Share their excitement about new friends, new skills, and new abilities; listen to their concerns; and give them a chance to boast about their achievements.

## PARENT RESPONSIBILITIES

The child-care facility must get certain information and records from parents to ensure the child's health and safety, handle emergencies, and meet minimum standards. If you do not provide this material, the child-care facility will not be in compliance with the minimum standards.

- Complete an enrollment form that includes basic information about your child; telephone numbers where you can be reached during the day; authorization for emergency care for your child; and written permission for swimming, other water activities, and transportation services.
- Tell the caregiver about any special concerns or needs, including allergies, medical history, and current medications.
- Give the child-care facility a copy of your child's immunization record showing immunizations against diphtheria, tetanus, pertussis, polio, measles, mumps, rubella, Haemophilus influenza type b, Hepatitis B and varicella. In some parts of Texas, a tuberculosis test report and Hepatitis A vaccine is also required. For school-age children, you can sign a statement that these records are on file at the school.
- Provide a doctor's statement that your preschool child is physically able to participate in the child-care program.
- Inform the child-care facility in writing about who is permitted to take your child from the facility. Generally, the facility may only release your child to you or to an adult you designate.
- The facility may allow a school-age child to leave the facility alone or allow an older brother or sister to pick up a child if you request this in writing. The facility is only allowed to do this when all safety considerations have been met.
- Make sure that child-care staff knows the child has arrived. Make sure that staff is aware when you come to pick up your child. Don't leave your child at the front door, and never leave your child at the facility before opening or after closing.
- Other requirements must be met if the child-care provider gives medication to your child, if your child is an infant, or if your child needs special care or a special diet.
- What happens if your child is ill or injured?
- The child-care facility is not allowed to admit a child who seems to be sick unless a doctor or nurse gives approval in writing. This may cause problems for parents, but it is necessary to prevent a sick child from infecting other children.
- If your child has been absent because of a contagious illness, the child-care facility must follow guidelines concerning when the child can return to day care.
- If your child appears seriously sick or injured while at the center, the caregiver must call you immediately. It's important that you pick up your child as soon as possible.
- If your child needs immediate medical attention, the center must call your child's physician, take the child to the nearest emergency room or minor emergency clinic, or call for an ambulance. This is why the child-care facility must have your authorization for emergency medical care.

## WHAT HAPPENS IF YOUR CHILD IS ILL OR INJURED?

- The child-care facility is not allowed to admit a child who seems to be sick unless a doctor or nurse gives approval in writing. This may cause problems for parents, but it is necessary to prevent a sick child from infecting other children.
- If your child has been absent because of a contagious illness, the child-care facility must follow

guidelines concerning when the child can return to day care.

- If your child appears seriously sick or injured while at the center, the caregiver must call you immediately. It’s important that you pick up your child as soon as possible.
- If your child needs immediate medical attention, the center must call your child’s physician, take the child to the nearest emergency room or minor emergency clinic, or call for an ambulance. This is why the child-care facility must have your authorization for emergency medical care.

## LIABILITY INSURANCE REQUIREMENTS

- Ask the Center Director whether or not the facility carries liability insurance. Texas law requires child-care facilities to carry liability coverage in the amount of \$300,000 per occurrence to cover a child when the child is in care of the facility.
- Liability insurance coverage is not required if the insurance cannot be secured due to financial reasons; if the licensee is unable to locate an underwriter willing to issue a policy; or if the current policy limits have been extended. You are to be notified, in writing, that the coverage is not available.

## TAKE A GOOD LOOK

As you become more familiar with your child’s child-care program, you will see many strong points. Almost all child-care facilities strive to provide a warm, loving, safe, and healthy environment for children. Look for these characteristics, but also be aware of warning signals that tell you something is wrong.

### Feel secure when you see that:

- The facility welcomes you to visit any time, and you are invited to observe the class or participate in activities.
- Staff is alert and involved with the children.
- Staff seems warm and interested in the children. There is spontaneous laughter, hugging, and eye-to-eye contact.
- Staff is gentle, but firm when necessary.
- The facility is clean and attractive.
- Your child is relaxed and happy after the initial adjustment period.
- Your child seems physically well cared for. Staff informs you of minor accidents and tells you when your child doesn’t feel well.
- Children seem involved with constructive activities, and they get individual attention.

### Be seriously concerned when you see that:

- Parents are not encouraged to visit the facility.
- Children are left without direct adult supervision.
- Adults spend much time scolding, ordering, and yelling at children.
- Adults are physically rough with children or allow rough play.
- The building is dirty, or you see unsafe conditions.
- Your child is unhappy about being left at the facility, and this doesn’t improve with time.
- A child comes home bruised or injured, and the center can’t explain what happened. (The child may not remember minor bruises and scrapes received when playing, however.)
- Children seem aimless, bored, angry, or frustrated, or there are too many children to supervise.

## WHEN THINGS AREN'T GOING WELL

You may find yourself displeased about something that has happened at the facility. Talk about these things with facility staff. There may be a misunderstanding that can easily be resolved.

If the situation isn't resolved and you believe minimum standards are not being met, call the local licensing office. They will handle your call discreetly.

A licensing representative will investigate your complaint. The licensing representative may need to interview you and your child and may also interview other children at the facility.

If the licensing representative finds that a standard has been violated, the facility will be notified, and a time set for the facility to correct it.

Licensing staff may revoke a license if a facility doesn't meet minimum standards. The department does not take action to revoke a license unless children are in immediate danger or the licensee refuses to comply with standards.

## IF YOU SUSPECT CHILD ABUSE

In accordance of the Texas Department of Family and Protective Services (TDFPS) minimum standards 746.501 (25), Kids 'R' Kids of Bridgeland provides annual training to all staff on preventing, recognizing and reporting child abuse and neglect. Training includes warning signs that a child may be a victim of abuse or neglect and prevention techniques for child abuse and neglect. As a licensed daycare center, we are required to report all suspected cases of child abuse and/or neglect immediately to the TDFPS Child Abuse Hotline or a law enforcement agency. Failure to report suspected child abuse or neglect is a crime.

For parents and caregivers, we recommend the awareness and prevention help provided in the website "Help for Parents. Hope for Kids" at <http://www.helpandhope.org/>

If you or your child is a victim of child abuse or neglect, please refer to the reporting contact information below.

## REPORT ABUSE

**Texas Abuse Hotline:** 1-800-252-5400 | [www.txabusehotline.org/Login/Default.aspx](http://www.txabusehotline.org/Login/Default.aspx)

Call our Abuse Hotline toll-free 24 hours a day, 7 days a week, nationwide, or report with our secure website and get a response within 24 hours. We cannot accept email reports of suspected abuse or neglect. For security purposes: If you created an account on the Abuse Hotline Website before December 18, 2016, you'll need to create a new account.

## IMMUNITY

When people make a report of suspected child abuse in good faith, they are immune from any liability. When the department investigates a complaint, the identity of the complainant is not revealed.

## Evacuation Plan

### FIRE EMERGENCY

- The fire alarm system will sound in the main building
- Move immediately to the nearest exit and go directly away from the building following your evacuation exit plan.
- Wait for the "All Clear" from person in charge. If it is not "All Clear" we will re-locate to HEB, 9722 Fry Rd, Cypress, Tx 77433
- **Teachers:** Take Rosters, account for all children.

#### For Infants:

In the event of a fire, each teacher will put as many babies as safely as possible into designated cribs and then roll the cribs outside, staying inside the fenced area of the playground, as far from the building as possible. One teacher will be responsible for checking the room and taking the attendance outside. **Each child must be checked and accounted for.**

#### For Toddlers through School Age:

In the event of a fire, teachers will escort the children outside, using the nearest exit, keeping them together and inside the fenced area of the playground, as far from the building as possible. One teacher will be responsible for checking the room to make to make sure that everyone is out, taking the classroom log outside, and closing the door. Once outside, attendance must be taken. **Each child must be checked and accounted for.** Be sure to check restrooms.

**Management Staff:** Assist at assigned stations.

Roll filing cabinets with children's records including contact information out to the designated gathering area.

# BOMB THREAT / EXPLOSION / FUMES

- Fire Alarm will sound, and a voice announcement will indicate that emergency type.
- Move immediately to the nearest exit and go directly away from the building following your evacuation exit plan.

## Bomb Threat

- Obtain as much information as possible regarding bomb.
- Note information about caller
- Alert person in charge

## Explosions

- Secure Students
- Attend to injured

## Fumes

- If fumes are outside, remain inside with windows and doors closed.

# TORNADO SAFETY

**A tornado watch** is issued by the weather service when conditions which may produce tornadoes are expected to develop. Continue normal activities during the WATCH but be aware that there is a possibility of tornadoes.

**A tornado warning** will be broadcast when a tornado has been detected. The WARNING will tell you the last known location of the tornado, and if possible, its speed and direction of movement. WHEN A TORNADO WARNING IS ISSUED BY A CALL FROM THE FRONT DESK YOU SHOULD FOLLOW THESE STEPS.

## For infants:

- Seek shelter by placing as many babies as safely as possible into designated cribs and roll the cribs into the middle of the cafeteria.
- Place sleeping mats gathered from a classroom, and place on top of the cribs for protection.
- One teacher will be responsible for counting the babies. Each child must be accounted for. Teachers should seek shelter by crouching beneath the cribs.

## For Toddlers through Pre-K:

- Seek shelter by having the children exit the classroom into the hall way.
- Have the children get against the interior walls and crouch with their hands covering their heads.
- One teacher should go to the classroom and gather the sleeping mats. The mats should be used to cover the children on top and behind their bodies.
- You should seek shelter in this manner after having checked to make sure all children are safe, and all accounted for.

## For School Agers:

- Seek shelter by having the children gather in the middle of the gym
- Have the children crouch with their hands covering their head.
- One teacher should go to the closet and gather the sleeping mats. The mats should be used to

- cover the children on top and behind their bodies.
- You should seek shelter in this manner after having checked to make sure all children are safe, and all accounted for.

## **STRANGERS / VIOLENT SITUATION /SNIPERS / DEATH**

# Safe Sleep Policy

We believe that a safe sleep environment for infants helps lower the chances of an infant dying from SIDS, and that parents and childcare providers can work together to provide a safe sleep environment. According to the Texas Health and Human Services Commission rule number 746.501(9) and 747.501(6) childcare providers caring for infants 12 months of age or younger than 18 months of age, not walking and sleeping in a crib, are required to implement safe sleep practices. Kids 'R' Kids of Insert your school's name here will implement the following Safe Sleep practices.

## SAFE SLEEP: SLEEPING & RESTING REQUIREMENTS

- 1** Center staff shall place an infant to sleep on the infants back in a crib unless the center has been provided a physician's written statement authorizing another sleep position for that particular infant; that includes how the infant shall be placed to sleep and a timeframe that the instructions are to be followed.
- 2** When infants can easily turn over from back to front and back again, center staff shall continue to put the infant to sleep initially on the infant's back but allow the infant to roll over into his or her preferred position and not reposition the infant.
- 3** Wedges, other infant positioning devices and monitors shall not be used unless the parent or guardian provides a physician's written statement authorizing its use that includes how to use the device and a timeframe for using the device is provided for that particular infant.
- 4** Infants shall not sleep in equipment other than safety-approved cribs, such as, but not limited to a car seat, bouncy seat, highchair, or swing. Infants who arrive at the center asleep in such equipment, or on the floor or elsewhere, shall be transferred to safety approved crib.
- 5** Kids 'R' Kids require sleeping infants will to be visually check on daily, every 15 minutes, by assigned staff. The sleep information will be recorded on a Sleep Chart. Assigned caregiver will check the infant for: Normal skin color, Normal breathing by watching the rise and fall of the chest, Signs of overheating: flushed skin color, increase in body and restlessness.
- 6** All parents/guardians of infants care for in the facility will receive a written copy of our infant/toddler Safe Sleep policy before enrollment and sign a statement saying they received and reviewed the policy.
- 7** Center shall maintain the infant sleeping area to be comfortable. Kids 'R' Kids mandates that the lights remain on at all times in the infant classrooms.
- 8** All cribs must be safety approved in compliance with Consumer Product Safety Commission (CPSC) and American Society of Testing and Materials (ASTM) safety standards.
- 9** Mattress shall be provided for each crib and shall be firm, tight fitting without gaps at least two" thick and covered, waterproof, washable material, and a tight-fitting sheet.
- 10** Staff shall not place objects or allow objects to be placed in or on the crib with an infant such as, but not limited to, toys, pillows, quilts, comforters, blankets, sheep skins, stuffed toys, bumper pads, mobiles, crib gyms, mirrors, bibs, or pacifiers. Safe pacifier practices: Pacifiers are permitted but attachments of any type are not allowed, We do not reinsert the pacifier in the infant's mouth if it falls out, We remove the pacifier from the crib once it has fallen from the infant's mouth.

- 11** All cribs shall be arranged to avoid obstructing access to exit doors and to prevent children’s access to cords hanging from the window treatments and other hazardous objects. Crib spacing should be far enough apart so that one infant may not reach into another crib with enough space for caregivers to walk and work between cribs.
- 12** Each infant will have his or her own crib. Only one infant will be in a crib at a time unless we are evacuating.
- 13** If an infant needs extra warmth, use sleep clothing \_\_\_\_\_ (insert type of sleep clothing that will be used, such as sleepers or footed pajamas) as an alternate to blankets (746.2415(b) and 747.2315(b))
- 14** Do not swaddle an infant or rest unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant’s health care professional (746.2428 and 747.2328)
- 15** Awake infants will have supervised “tummy time” several times daily.

I, the parent/guardian of (child’s name), received a copy of the facility’s Safe Sleep Policy. I have read the policy and discussed it with the facility director/operator or other designated staff member.

## MEALS

Breakfast is from 6:30am – 7:30am. If you choose to drop your child off after 7:30am, they must go to their classroom. Morning snack and lunch will be served in the café for Suite 450 - Pre-K. Afternoon snack will be served in the classroom.

## CURRICULUM

Kids 'R' Kids International provides each franchise with an excellent curriculum that includes Brain Waves, STEAM and Technology related activities.

## SECURITY

Our entry door is always locked, and keypad operated. We ask that parents accompany ALL children inside the building and clock them in so that our attendance records are accurate per licensing.

The entire center is monitored 24 hours a day by a video surveillance system for the parent's piece of mind. Each classroom is equipped with a video camera monitored by staff members throughout the day. The entire center can be viewed with colored monitors located in the front reception area. Our system can be accessed from the internet and smart phones.

## PAYMENT & FEES

Registration fee and first weeks tuition is required before the first day of attendance. The registration fee is due annually thereafter. Registration fee and first weeks tuition is non-refundable. If you wish to disenroll your child, a one week notice is required and tuition is due the Monday of your last week. If your child is present one to five days, full tuition is due. If your child attends zero days during a given week, ½ tuition is due, up to 4 times per registration year. This is to ensure enrollment.

Full week vacations and absences due to illness will be assessed ½ tuition; limited to four weeks per registration year. Tuition not paid by close of business Monday of the current week will be assessed a \$20.00 late pay fee. Tuition not paid by the close of business Tuesday will be assessed and additional \$10.00 late fee per day until account is paid in full. This applies to any unpaid balances. If account is two weeks past due, your child may be suspended until account is paid in full. If your child is picked up after 6:30pm a flat fee of \$20.00 will be charged to your account. If your child is picked up after 6:35 there will be an extra three dollars per minute per child charged to your account. After 7:00pm the fee will be \$5.00 per minute per child. On the third late pick up and each one following in a 30 day period, there will be an additional \$50.00 charged to your account.

## TUITION

One day of attendance constitutes a full week and full tuition is due. Sick or vacation days missed are not prorated. This ensures your child's enrollment in that class. Children who are absent the entire week can opt to pay one-half of their weekly tuition FOUR times per enrollment year .

## ENROLLMENT

An annual non-refundable registration fee of \$200.00 is due prior to the first day of attendance.

Immunization records are to be available with enrollment and a copy provided when updated

## CLOSURES

The Center will be closed for the following holidays: New Year's Day, Good Friday, Martin Luther King Jr. Day, Memorial Day, Juneteenth, Independence Day , Labor Day , Thanksgiving, Black Friday and Christmas Day . We will alert you if we will be closed additional days before or after New Year's or Christmas.

We will also be closed for two teacher in-service days throughout the year . Please check with the front desk on when those will be.

If CFISD is closed due to inclement weather or national emergency, we will also be closed unless you are notified otherwise.

Tuition will not be prorated on any of these weeks. School-aged children who are in attendance for full days during an ISD holiday will incur an extra charge. See the front desk for more information.

**ILLNESS**

Although it is a priority to keep parents at work when a child doesn't feel well, state regulations require that we send children home who: have a temperature of 100.0, have been diagnosed with a communicable disease, have been vomiting or had diarrhea consistently . Children may only return with a doctor's note or when they have been symptom-free for 24 hours without the aid of fever-reducing medication.

**GENERAL INFORMATION**

Please label all clothing with the child's name. Parents are asked to not let children bring candy, gum, or toys (unless specified by the teacher) to school. Parents are asked not to bring fast food meals to school. Meals and snacks are provided. If your child is unable to adjust, given a reasonable amount of time, we reserve the right to withdraw him or her from the program. Parents are permitted access to all parts of the center when their child is present. No prior notice is required.

**I have read the policies regarding payment of tuition fees and understand the policies as stated above.**

# Family Obligations

- 1** I agree to provide the center with all information pertaining to medications for my child.
- 2** I understand that my child will be provided with breakfast, all snacks and a nutritious lunch served daily during their hours of attendance if a full-time student.
- 3** I understand that it is my responsibility to escort my child into and out of the building, and to sign him/her in and out each day. I understand that a staff member will escort my child into and out of the center when being transported by KRK transportation.
- 4** If my child wears diapers, I understand that it is my responsibility to provide the center with the necessary amount of disposable diapers for my child each day/week.
- 5** I understand that I am responsible for ANY special diet required for my child. Special Diets include but aren't limited to allergies, vegetarian, and any religious preferences. (To prevent allergic reaction to newly introduced foods for infants, we ask that parents provide the center with baby food that has already been tried by the child at home. Each jar is to be unopened and labeled with the child's full name.) I further understand that should I provide my child's own lunches and food for any reason, that Kids 'R' Kids is not responsible for their nutritional value. (Peanut butter products are not allowed in the building under any circumstances.)
- 6** Transportation is provided to and from school and on planned field trips with parental permission. A separate form and signature will be required for this service. School transportation agreements shall be signed once each school year. I give my consent for my child to be transported in case of an emergency.
- 7** Should my child become ill or suffer a serious injury during the time he or she is in care at Kids 'R' Kids the center shall undertake to contact me immediately. The center shall be authorized to secure such medical attention and care for my child as may be necessary. (The parent will assume responsibility for payment.)
- 8** I agree to keep the center informed as to changes in telephone numbers, addresses, etc. where I may be reached.
- 9** I understand that Kids 'R' Kids #53TX, while a Kids 'R' Kids franchise, is independently owned and operated, I further understand that if my child has not been picked up by 7:00pm and all attempts to reach me and all of my emergency contacts fail Kids 'R' Kids Will Call Family and Children Services and the police.
- 10** I understand the Kids 'R' Kids #53 TX is not responsible for ANY Personal Items that are left, lost, damaged, and or stolen. This includes but is not limited to clothes, toys, backpacks, and etc.
- 11** Should my child have any allergies or special needs, I understand and agree that a picture will be displayed in the allergy area of the classroom and kitchen in order to help substitutes and teachers identify and child for safety reasons.

# Infant Feeding Profile

- 1** If my child’s diet consists of formula or breast milk that is taken from a bottle, I understand that I will provide Kids ‘R’ Kids with the appropriate number of bottles containing formula or breast milk needed for each day.
- 2** Kids ‘R’ Kids infant room staff may not mix formula or whole milk with food or solids without written permission from the child’s health-care provider. Such permission must contain a medical reason for this practice.
- 3** I understand that formula and human milk are discarded after one hour including any formula that is served but not completely consumed or is not refrigerated.
- 4** All bottles are warmed by use of a crock pot.
- 5** Accommodations are provided to parents wishing to breast feed while at our facility.
- 6** All children are held while feeding, bottles are not ever propped.
- 7** Solid food is fed from disposable containers, not from the manufacturer’s packaging.
- 8** Children must be at least six months old before solid food will be offered unless permissions is given by the child’s health care practitioner.

**I have read and fully understand the above policies and agree to abide by all policies outlined in this agreement, the Health policies, the Tuition policies, and the Parent Handbook.**

# Policies Regarding Health

**In our center, we have very specific guidelines for parents to reference regarding health. These policies are intended to be very clear on what issues make it necessary for your child to be kept out of school. It is our hope that these policies address all concerns from parents and staff. Administered correctly and fairly, they should protect the best interest of ALL our children, well and ill, as well as our staff. In order to keep the children healthy and maintain a safe environment, we ask for your help with the following guidelines:**

Please do not send an ill child to school. Small children are prone to infection because their immune systems are not fully developed. One sick child places all the other children at risk.

A child with a fever of 100.0 degrees or higher will be sent home. It is required that the child be kept out of school until he/she has been fever-free for 24 hours.

A child showing signs of the following symptoms will be sent home:

- Diarrhea or vomiting (you will be called to pick up on the 3rd episode)
- Deep or hacking cough, or a sore throat
- Continuous runny nose with a yellow or green color
- Any suspicious rash that has NOT been diagnosed by a physician
- Undiagnosed and untreated pink, swollen, or matted eyes

A child may return to school when any of the following occur:

- Temperature has been normal for 24 hours without fever reducer.
- Active signs of illness (diarrhea, vomiting, rash etc.) have been gone for 24 hours.
- Return to school release form from the physician stating he/she is NOT contagious.

(Please note: Your child MUST be picked up within one hour after being contacted. A child may return to school with secondary symptoms from colds and flu, as they may linger for several weeks without the child being contagious)

All over the counter medication MUST be in its original container labeled with the child’s full name. Over the counter medications can ONLY be administered in amounts according to the label directions and MUST have a return to school release form from the physician that says he/she is not contagious.

All medicine MUST have a Medication Authorization form filled out with the dosage amounts, times to be given, and the parent’s signature. Authorization form to dispense over the counter medication expires 2 weeks from signature date.

Medications will be administered at 11:00am and 3:00pm each day. Please try to coordinate your child’s morning dose with these dosage times.

# Discipline & Behavior Management Policy Permissions

Praise, positive reinforcement, and redirection are effective methods for behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy taken from Kids 'R' Kids Parent Handbook and the NAEYC Code of Ethics.

At Kids 'R' Kids we use a method of 'redirection' to guide children toward appropriate behavior. If a child is engaged in behavior that is not conducive to a safe and happy learning environment, the teacher will "redirect" the child toward appropriate behavior.

"Above all, we shall not harm children. We will not participate in practices that are disrespectful, degrading, dangerous, exploitative, intimidating, emotionally damaging, or physically harmful to children." (NAEYC Code of Ethics – Principle 1.1)

I, the undersigned parent or guardian of \_\_\_\_\_ (print child's full name), do hereby state that I have received a copy of the facility's Discipline and Behavior Management Policy and that the facility's director (or the other designated staff member) has discussed the facility's Discipline and Behavior Management Policy with me.

# Gang Free Zone

## WHAT IS A GANG-FREE ZONE?

A gang-free zone is a designated area around a specific location where prohibited gang related activity is subject to increased penalty under Texas law. The specific locations include day care centers. The gang-free zone is within 1000 feet of your child care center. For more information about what constitutes a gang-free zone, please consult sections 71.028 and 71.029 of the Texas Penal Code.

## HOW DO PARENTS KNOW WHERE THE GANG-FREE ZONE ENDS?

The area that falls within a gang-free zone can vary depending on the type of location. The local municipal or county engineer may produce and update maps for the purposes of prosecution. Parents may contact their local municipality or court house for information about obtaining a copy of a map if they choose to do so.

## WHAT IS THE PURPOSE OF GANG-FREE ZONES?

Similar to the motivation behind establishing drug-free zones, the purpose of gang-free zones is to deter certain types of criminal activity in areas where children gather by enforcing tougher penalties.
