Week
of the
Young
Child

Week of the Young Child is a joyful celebration all about little learners and big imaginations! Happening April 13th–17th, this special week highlights the importance of early childhood education through fun, hands-on experiences. We'll have an exciting activity planned each day—from music and art to storytelling and playful learning adventures—giving children plenty of chances to explore, create, and grow. It's a wonderful time for families and educators to come together and celebrate the magic of childhood!
