## Back together, better than ever

While the sun is still hotter than ever, school has started back up and we couldn't be more excited and ready to see what this sweet new school year will bring! From our end of summer carnival with nothing but laughs and smiles, to our back to school teacher retreat preparing us for all the growth and learning we are striving for. We are so happy to see all the new faces and especially the ones we missed over the summer; and we can't wait to celebrate every learning curve, project and memory that each kid will make. We've got so much fun planned in the months to come, and look forward to doing life together with all of you!

## Meet the Teacher !

September is here, and we are so excited to welcome our families into a new school year! We believe your child's teachers are so much more than educators. They are caring, nurturing, and encouraging people who help your little ones learn, grow, and feel loved each day. Join us for our Meet the Teacher Event, Thursday the 24th!

This is a wonderful opportunity to meet your child's teacher, visit their classroom, and begin building a special partnership between home and school.
