Day!!

7/28: National Chocolate Milk Day

7/29: National Lasagna Day

We would like to start by saying thank you to all of our families for your' continued support over the past few months. These times have been strange but we have all come together to lift each other up.

Just a reminder in light of the updated state mandates beginning on 6/26/20 concerning Covid 19, we as a staff will begin wearing face masks while in the classroom interacting with the children. The teachers may remove their masks when away from the classroom, during naptime when the children are down and 6 ft. away, and while outdoors. The children are not required to do so, as this will be your family's individual choice until further notice. Additionally, before being dropped off, we will have questions posted outside of the front door area which you must answer about the potential for you or your child to have been exposed to Covid 19. We greatly appreciate your cooperation as we work hard to keep all of the children, families, and staff safe.

Curriculum Recap!!!

OH Boy our PreK classrooms are really working hard on the Letterland and Handwriting without Tears programs, we are continuing to work on our academics in preparation for kindergarten. They have also had the opportunity to enjoy some really fun in house field trips this summer such as a storyteller, magician, scientist, and a day with an incredible bounce house. There will be plenty more of these fun trips throughout the summer!!

Meanwhile boy oh boy is the summer camp rocking it out!! I'm sure many of you were able to enjoy their beautiful Fairy Garden and have you seen their sewing abilities? They are currently working on sewing and embroidery by making owls and elephants. They are amazing!! We are so proud of all that they have learned. They also enjoyed a unit on Native Americans and had the opportunity to make dream catchers and dance sticks. They are really enjoying their summer.

ABC MOUSE

Kids 'R' Kids has partnered with ABC Mouse.com in providing your child award winning online curriculum. Learning activities include Reading, Math, Science, Arts & Colors, Music & Songs, Library, Puzzles and Games. Parents are able to log on to view their child's progress.
