We would like to start by saying thank you to all of our families for your' continued support over the past few months. These times have been strange but we have all come together to lift each other up.

I hope everyone has seen the exciting news that we are now starting a Private Kindergarten, the first school session will start August 24th! We are thrilled and excited to have many of our prek children to sign up for this new class. We do have a few spaces left for please reach out to friends and neighbors that may be interested and send them our way.

As always please let us know if you have any questions or concerns.

Curriculum Recap!!!

Everyone has been working so hard over the past month in their classrooms with our STEAM, Letterland, and Handwriting without Tears programs. We have seen some really fun STEAM activities throughout the building over the past few weeks. We have also had a chance to enjoy some really fun extra outside time. Our school age friends made catapults last week in a fun in house fieldtrip, the children took them outside and worked with them to see what they could send flying and how far the item would go.

Our school age friends also had an amazing talent show with items they created to wear out of newspaper!! You can check out some of those creations on our facebook page. We also had a visit from some very special ponies this month.

Our prek friends enjoyed having an opportunity to make edible bubbles with an in house fieldtrip! The children loved it, they created some really pretty artwork and also got to take some yummy licks of bubbles that they said tasted like skittles.
