#worldhearthealthday

9/30: National love People Day..

What a great summer we had here at KRK, water play was a blast and has winded down for many of our classrooms. We look forward to some cooler weather over the next few weeks.

As many of you know we have started a virtual/remote learning for our families that have children in the Wake County School System; the remote learning is going well and we encourage you to let your friends and neighbors know about us if they need any help with this new norm! We also have a few spaces left in our Private Kindergarten program if you know anyone still looking for their little one.

We would like to extend a big thank you to all of our families that have been referring their friends. We appreciate all of your support during these challenging times.

Excellent Curriculum for all age groups.

Curriculum Recap!!!

Our kindergarten started this month and they had an amazing first week; they worked on finding their name all over the room as well as working to locate upper and lower case letters. The kindergarten class is working on their first quarter them of I am a Citizen where they are learning that every person young and old has a civic duty and responsibilities.

Our toddlers spent some fun time outside working with gross motor play by running and crawling through the tunnels and chasing their shadow. Our toddlers also worked to create friendship art during this month.

Our two year old rooms had some fun show and share times where each child was able to stand up and tell their class about the special item they brought from home. This is a great example of a way to have them children get comfortable with public speaking and a way to teach them to project their voice.

We also started virtual learning with our school age friends and it is going really well.

ABC MOUSE

Kids 'R' Kids has partnered with ABC Mouse.com in providing your child award winning online curriculum. Learning activities include Reading, Math, Science, Arts & Colors, Music & Songs, Library, Puzzles and Games. Parents are able to log on to view their child's progress. Also, your child can do ABC Mouse.com activities at home.
