Happy New Year!!! We are hoping for a great start to 2021. 2020 was a challenging year for us all but certainly was a time that has brought many of us together. As we start the New Year we do want to please ask that everyone remains diligent in their health practices. We have had to close several rooms over the course of December and really want to be able to remain open for everyone. The only way that we can do that is for us all to be extremely careful and make good choices daily. We ask that if you or anyone in your home has any symptoms that you please are sure to keep your little one's at home; and or get tested to be sure that there is no need to worry. When we have to close the rooms this affects so many families and their ability to provide for their household. We thank you for being diligent in all of your efforts.

Thank you for all of your support during these trying times. We appreciate all that you do for our community!!
