October 2019 Edition

Kids 'R' Kids of Castle Hills

Welcome to the October edition of the Kids R Kids News! It is officially fall and this month our curriculum celebrates the season. The children will begin the month closing out the units on Community Helpers. The children will be working through the units entitled "Autumn Leaves" and "Red Apples." Expect some fun artwork and lots of wonderful learning activities that reinforce these themes. As always, the daily curriculum will be sent to you on Tadpoles! There are lots of special events planned this month so get out your family calendar and save the dates referenced later in the newsletter!

Bring the whole family out for a FREE night of fun provided by the staff of Kids R Kids Castle Hills at our
