November 2026

Kids 'R' Kids Learning Academy

Centerville #33

Happy November!

Kids 'R' Kids of Centerville is partnering with Gakobe Strong Foundation for the Gifts of Hope Holiday Toy Drive!Together, we can bring holiday joy to children and families affected by cancer and hardship.

- New, unopened toys for children ages 0–17
- Gift cards for children ages 12–17

Our collection box will be in the front lobby November 2–December 17, 2026.

On December 18, we will personally deliver toys to children receiving care at Children's Healthcare of Atlanta's Aflac Cancer and Blood Disorders Center. Your generosity can bring a smile and a little holiday magic to children and families facing difficult times.

While shopping for your family, consider picking up an extra toy or gift card. Let your little one help choose a gift—it's a wonderful opportunity to teach kindness and the joy of giving!

Thank you for helping us bring joy, give hope, and bless families this Christmas!

One Team • One Vision • We Are Team33

As a reminder it is mandatory that all students be clocked in and out by their guardian. Please ensure that you are doing so at the front desk computers.

Be sure to mark your calendars for our school Holiday hours & operations! Staying Healthy when seasons change We have been teaching the children about the importance of proper handwashing to help keep germs from making them sick. Children have learned that washing with soap and water for at least 20 seconds is the best way to prevent the spread of the germs. Although hand washing helps to stop the spread of germs, vaccines are one of the best ways to help protect your child from serious diseases.

To help keep your family safe keep up with your child's vaccine schedule. Remember when the whole family is vaccinated it helps lower the risk of potentially life- threating diseases like whooping cough, flu, and Covid-19. Please check out our family information board for further resources.

Happy Birthday!
