VPK Graduation – Save the Date!

- Our VPK graduation is set for Tuesday, May 19th at Riverview HS at 6:30pm sharp and children must be dropped off at 6:10pm. Our children are busy preparing for an incredible performance.
- Graduation photos are scheduled for April 15th. Please make sure your child's hair is down or tied back low so the cap will fit.

Some important reminders for our families:

- Please arrange to have your child picked up by 3pm on May 19th so that they can be fed and well rested for graduation.
- Dress code for the graduates: Jeans, closed toed shoes (no heels or sandals) and a casual top. We will provide the t-shirt at graduation.
- During the performance – Our choreographer has asked that parents be respectful and not scream and yell their child's name. It's very overwhelming and distracting for our young performers – Their voices are soft and their focus should be on the performance and not a yelling audience – PLEASE BE RESPECTFUL OF THE CHILDREN!
- We are happy to report that 11 of our graduates started at KRK in our Infant program and will be moving on to kindergarten.

Lion's Club Free Eye Screening

Lions Clubs will offer free, school-based vision screenings for children through the Lions KidSight USA program, often targeting ages 2–6. Utilizing specialized hand-held cameras, trained volunteers detect risks for "lazy eye" myopia, and other vision issues, providing referrals for follow-up eye exams when needed. The Lion's Club representative will be at Kids R Kids April 9th at 10:00AM to conduct screenings.

HOW MATTERS

Kids 'R' Kids provides a unique and complete brand of caring for our children and families. We start with intentionally connecting to each child, ensuring they know they are heard and cared for in every respect. When we "hug first then teach" ®, a child becomes loved in their surroundings and open to meaningful interactions and learning. We are a family organization that cultivates and creates family.

In our world at this moment, caring well matters. With so many complex circumstances affecting and disrupting our daily lives, it is easy to feel overwhelmed and unable to show up for one another. Our "How Matters" campaign values the voice of every person – big and small.

- For our staff: HOW MATTERS because we find value in doing rewarding work that is not only needed but impactful.
- For the families: HOW MATTERS because the children are at the heart of our care. Every action we take plays a role in shaping who children will grow up to be.
- For the children: HOW MATTERS because they will never forget how we make them feel.
