NEWSLETTER

Updates & Friendly Reminders

Look at our new sign
outside our building!

Hello families and thank you for reading our very first monthly family newsletter! A few updates and reminders!

- Please pardon our dust a lot of renovations and improvements to the school are being made to bring it back up to standard!
- Please do not park in the Kiss N Go circle if you feel like you will spend a little bit extra time in the classroom. If you guys do choose to use the Kiss N Go Circle, try to pull up all the way to give other parents room to park as well.
 - Between the hours of 6:45am-7:10am and 3:00pm-4:15pm it is not allowed to use the Kiss N Go because those are the timings our busses are loading and unloading for our school age children.
 - If your child rides the bus and will be out, we do request that we are informed ahead of time (before 1:00pm). It puts our bus drivers behind schedule.
- Please walk your child all the way to their classroom and use the manual sign in sheet that are in each classroom or the kiosk up at our front desk. If you have not signed up for it, please ask someone in the front and they will help you with the setup process.
- We have setup our new Automatic Bill Payment system as well! If you guys would like to sign up, please ask someone in the front to give you a form. We take out payments every week either Thursday night or Friday morning for the following week. We also do have a credit card machine but please be aware that it will charge a 2% fee on top of the amount you are paying.
 - For families that still use cash & check the tuition is due Friday for the following week. If tuition is not paid by Tuesday 10am a late fee is automatically applied to your account. After 3 consecutive late payments it will be mandatory to sign up for the Autopayment system.
 - If the child is absent for the entire week, 50% of the tuition is still due. If your child is only present for one day of the week the entire tuition would still be due.
