## Welcome February

2024 has started off great! Welcome to all the new families who joined us in January. We look forward to getting to love on your little ones each day.

February is all about showing love and fostering healthy relationships; we hope to do just this through some fun events we have planned this month.

## Upcoming Events

Friday February 2nd Groundhog Day - Will the groundhog see his shadow?

Friday February 9th National Pizza Day - Pizza for lunch!

Wednesday February 14th Valentine's Day - Come celebrate Valentine's Day with us at our class parties at 2pm for Suite 250 - Suite 500. Students will be able to share friendship cards and treats if they wish! Sign-up sheets will go up on the doors at the beginning of the week.

Friday February 16th Pony Rides - There will be a free pony ride for each child in Suite 300 - Suite 500! Capture this special moment by purchasing 4 5x7 pictures and the digital file for only \$30.

February 1 - February 29 Compliment hearts - Throughout the entire month of February we will be showing our love and appreciation for our teachers through compliment hearts. Simply write a sweet note, compliment, or positive message on a heart located at the parent info center. Finally add the heart to the collection on your teacher's door!

## Reminders

- Please make sure all jackets, blankets, sippy cups, and other personal belongings are labeled with your child's first name and last initial. This helps us out so much!
- Each child (potty trained or not) needs to have an extra set of clothes. We do not have extra clothes for accidents.
- It is the peak of flu season! For the safety of the children and staff in our building, your child will be sent home if they have a fever or portray other symptoms of illness. They will not be able to return until they have been symptom free for at least 24 hours.
- Each child's file is being checked and updated for 2024. Please watch for notices as we may require your signature or other documents to keep our files compliant with Texas State laws.
