

**Kids R Kids Eagle Springs
& Kings River
December 2018
Newsletter**

Just take a walk through either our Eagle Springs or Kings River campus and you can almost feel the excitement in the air! What a magical time of the year! Although the glitter and holiday thrill is something we look forward to every year, and this time is filled with the craziness of shopping and "to-do" lists a mile long, it is important to

remember to slow down and enjoy time with our families and loved ones!

The children definitely show their excitement as they make their wish list for the gifts they are asking for. It is interesting as the years go by how different the presents are! Years ago a child would ask for a train set or a few baby dolls, this year children are asking for iPads or the newest cell phone!!!

All of us at Kids 'R' Kids would like to take a moment to thank you so much for sharing your precious

children with us each and every day. We feel beyond blessed that we have been given the opportunity to play such an integral part in your lives. We have many different ideas for the new year and are very excited to share those with you very soon.

As we look back over the last year we can't help but smile when thinking about all the wonderful moments we have shared.

**Happy
Holidays!!!**

Christmas Craft Night !!!

We are excited to host our third Annual Christmas Craft Night! This special night promises to be fun for all children.

Please join us on December 6th at 6:30pm. Classrooms will be set up with a variety of Christmas Crafts for children to do with their parents. The teachers will be there to assist! Help your child create an ornament or craft that you will treasure for many Christmases to come!

Our Pre-K classes will also sing a few Christmas songs to start off the night. We will have hot chocolate, cookies, holiday music and the highlight of the night will be our very own Santa Claus who will be greeting and taking pictures with the children! We love the Holidays!

Eagle Springs Classroom of the Month for December!

Without any hesitation, Suite 100 was unanimously chosen to receive the award for Classroom of the Month! Ms. Juanita is doing an amazing job with the help of Ms. McKayla and Ms. Emillye. The babies are always happy learning new things and the environment of the classroom is loving and nurturing at all times! Our Eagle

Springs Campus is very lucky to have such great teachers!!!

Holiday Dance Recital

Our little dancers have been practicing very hard over the last few weeks and are ready to show their families their dance moves! Please make plans to attend the Holiday Dance Recital at our Eagle Spring campus on Monday, December 10th at 6:30pm to enjoy the show!

Kings River Classroom of the Month for December!

After much thought and consideration, the Kings River campus has chosen The Gym for this honor in December! Ms. Asia, Mr. Sean, and Ms. Joi do a fantastic job ensuring that when children get to Kids 'R' Kids from their elementary schools they are safe, happy and engaged in all planned activities. Great job for keeping such a great after school program!!!

Our Top 10 Favorite Christmas Movies!

Is there a better way to spend the holidays than cuddling up with your children to watch a favorite Christmas movie? We can't think of anything better, so we came up with a list of our favorite Christmas movies to share with your family! Although we are sure that you have seen most of these, they simply don't get old watching them year after year!

- 1) **A Christmas Carol:** You simply cannot let a holiday season go by without watching this classic tale!
- 2) **The Polar Express:** A fanciful tale about a train headed to Santa's workshop! A family favorite!
- 3) **A Charlie Brown Christmas:** A classic that came out in 1965 but is always a must see!
- 4) **The Grinch:** Another favorite story that can be seen in the movie theaters this year!
- 5) **Miracle on 34th Street:** This movie, premiered in 1947, has everyone wondering about the miracle of Santa!
- 6) **Elf:** It doesn't matter how old you are, this movie will sure make you smile!
- 7) **A Christmas Story:** A favorite tale about a boy named Ralphie who asks for a Christmas gift that may not be the best for his age!
- 8) **It's a Wonderful Life:** Another classic with such a beautiful message! Who can believe this film debuted in 1946?
- 9) **The Nightmare before Christmas:** A favorite for older children and those who like Tim Burton!
- 10) **Rudolf the Red-Nosed Reindeer and Frosty the Snowman:** These both movies tied for number 10 because they both had to make this list! Such sweet, charming stories to be shared year after year!

Holiday Donation Drive!

This year, at our Eagle Springs campus we have decided to have a different donation drive for the Christmas season. We traditionally ask for toys, but we wanted to dedicate this Christmas' season to our pets. Furry friends make our life so special and we wanted to make their holidays special too.

Kids 'R' Kids Eagle Springs is partnering with Humble Animal Shelter and we will be receiving donations until December 21st.

The wanted items are:

- Cat food
- Dog food

- Blankets
- Towels, new or used
- Kitty litter

Thank you in advance for all your donations on behalf of the sweet pets that each one of us share our lives with.
