

Kids R Kids of Eagle Springs February 2022

As we enter into our second month of the year we are getting ready to head into Spring. We cant wait to start planting in

the outdoor garden again while teaching our children what it means to get their hands dirty (in a good way!) When looking around the building, it is easy to see that love is definitely in the air! The children and teachers have already started making plans for Valentines Day and are

ready to enjoy the festivities! On Monday, February 14th, Classrooms will have their card exchange and parties . Sign up genius will be emailed for donations. As always, we appreciate you trusting your children with us even during Covid.

Friendship Parties and Dances will take place on Monday, February 14th. Check email for sign up information. Don't forget, if treats are brought in they must be "nut free."
