

Kids R Kids Of Eagle Springs Newsletter November 2022

We made it to November after October (literally flew by). It is so hard to believe that we have to take down the Jack-o-lanterns, ghosts and witches and switch to turkeys, Pilgrims and even more fall colors. This time of year truly is our favorite as each month has a very special and unique holiday attached to it.

As we enter into the month of November, we want to continue

teaching our children that we need to be thankful for what we have been given. Our families are blessed to live in an area that is safe, beautiful and has a strong sense of community. As we all know, not everyone is as lucky. As members of this community, we would love to be able to give back to those that need it the most. One of the ways that we can do this is to collect non-perishable food items from November 1st to November 11th that we can share with those that need assistance. Talk to your children about the importance of giving and how it not only

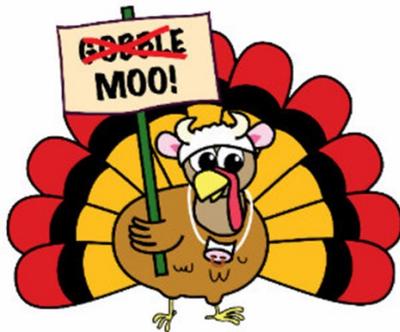

makes you feel good but helps others in the process. Please look over the list to the right, and see if you have any of these particular items to donate as they do tend to be the most useful throughout the year.

We may still be dealing with Covid but we cannot let that get in the way of all the reasons we are truly thankful.

All of us at Kids R Kids wish you a very blessed and bountiful Thanksgiving and appreciate you choosing us for your child's pre-school education!

Happy Thanksgiving!

Tom the Turkey needs to go undercover so he doesn't end up on the dinner table for someone's Thanksgiving meal. We are asking our parents to do a fun project at home with your children and help disguise Tom to keep him safe. We suggest you cut the turkey out and glue it to cardstock . Then you can get creative and use fabric, buttons, bows, etc. to decorate him! Once turned in these will be posted on Facebook for all to vote on! Get creative and have fun!
