## SMART CHOICE SMARTER CHILD.

### A Note from the Director Happy March, KRK Haslet Families!

This month, I want to take a moment to highlight something very special about our school — we are proud to be a 4-Star Texas Rising Star (TRS) program, and the only 4-Star group childcare center in the Haslet area.

Earning a 4-Star designation is not automatic, and it is not easy. It requires meeting and exceeding rigorous quality standards that go far beyond Texas Minimum Standards. Texas

Rising Star evaluates programs on:

- Teacher-child interactions
- Curriculum and early learning development
  - Classroom environment and materials
- Staff education and ongoing professional training
  - Family engagement and communication
  - Administrative and operational excellence

A 4-Star rating is the highest level awarded under the TRS program. It means our classrooms consistently demonstrate high-quality instruction, strong emotional support for children, intentional lesson planning, and a commitment to continuous improvement.

This recognition reflects the hard work of our incredible teachers, our dedication to professional growth, and our promise to provide an enriching, nurturing, and structured learning environment for every child who walks through our doors.

Most importantly, it means your child is in a program that has been evaluated at the highest level of quality available in Texas — and we are honored to serve as the only 4-Star group childcare program in Haslet.

Thank you for trusting us each day. We are proud of this achievement and even more proud of the children and families who make our school so special.

With gratitude,

Alyse Tirrell

Director, Kids 'R' Kids Haslet

## Referral Incentives

Did you know about the referral incentives that we offer? if an inquiring family lets us know you sent them our way and they end up enrolling, both YOU and THEM will get their 4<sup>th</sup> week of tuition FREE! A successful place to give referrals is the local Facebook page, neighbors, and at community events.

SMART CHOICE. SMARTER CHILD.™

☀ Staff Spotlight – Mrs. Vianey ☀

This month, I am so honored to highlight someone who truly helps keep the heart of our school beating strong — our incredible Co-Director, Mrs. Vianey. Mrs. Vianey has been with Kids 'R' Kids Haslet since we opened our doors in 2019. From day one, she has been dedicated, loyal, and fully committed to the success of our school. She is not just a co-director — she is my right hand, my sounding board, and a constant source of support for both our team and our families.

She consistently goes above and beyond in ways that often happen behind the scenes. Whether she's supporting a teacher through a tough day, helping a family feel heard and valued, stepping into a classroom when needed, or ensuring our daily operations run smoothly — she does it all with grace, professionalism, and heart.

What makes Mrs. Vianey even more special is that she is also a proud mom of four amazing children, all of whom have attended Kids 'R' Kids — both in the past and currently. She understands firsthand what it means to trust a school with your children, and that perspective shows in the love and care she pours into our program every single day.

Her dedication to our teachers, her compassion for our families, and her commitment to excellence are a huge part of why we are who we are today. Quite simply — we cannot do what we do without her.

Mrs. Vianey, thank you for your leadership, your loyalty, and your heart. We are beyond blessed to have you.

With gratitude,  
Alyse Tirrell  
Director, Kids 'R' Kids Haslet

## Soccer Stars

Soccer Stars is an extracurricular activity that is offered once a week during the day here at our school for ages 2-PreK. Coaches pull students from their regular class time to teach the fundamentals of soccer, while encouraging and building self confidence in your children. It has been a few months since our last free demo, if you'd like your child to try out Soccer Stars, please let us know and we'll make sure they're able to attend a class to see if they enjoy it!

## Family of The Month

Anthony joined Kids "R" Kids in 2024 and has been lighting up the classroom ever since. He's easy to spot with his wild, curly hair and his unforgettable silly dance moves. Anthony loves learning new things and spends his free time riding his bike, playing soccer and baseball, and exploring his favorite worlds of dinosaurs and monster trucks. At home, he's joined by the family dog, Tank — a loyal, playful companion who's always ready to be part of the action. Anthony's parents, Casey and Michael, are originally from Chicago. They moved to Texas in 2021 for work opportunities and have settled in happily. Both work in the diesel industry for a semi-truck manufacturer, bringing their Midwest roots and strong work ethic with them. As a family, they love to travel and explore new places, spend time with loved ones, and be outdoors whenever they can. Whether it's a weekend adventure or simply playing outside together, they make the most of every moment.
