SMART CHOICE SMARTER CHILD.

Note from the Director – May

Dear Families,

It's hard to believe we are already at the end of another amazing school year! This time of year is always so special as we reflect on how much each child has grown—academically, socially, and emotionally. We are so proud of all they have accomplished and grateful to be a part of their journey.

As we prepare for the end of the school year, we're looking forward to celebrating with our End-of-Year Party on May 22nd, followed by classroom transitions beginning May 26th. These transitions are thoughtfully planned to ensure each child continues progressing in a way that supports their development and confidence. While change can sometimes take a little adjustment, our teachers work closely with each child to make this a smooth and positive experience.

Summer is just around the corner, and we could not be more excited! We have an incredible lineup of activities planned, including fun in-house events, water days, special visitors, hands-on experiences, and so much more. Summer is always full of energy, laughter, and unforgettable memories for our students.

Thank you for your continued support and for trusting us with your children each day. We truly appreciate our school community and look forward to an amazing summer ahead!

Warmly,
Alyse

Director, Kids 'R' Kids Haslet

Referral Incentives

Did you know about the referral incentives that we offer? if an inquiring family lets us know you sent them our way and they end up enrolling, both YOU and THEM will get their 4th week of tuition FREE! A successful place to give referrals is the local Facebook page neighbors, and at community events.

Teacher Spotlight – Mrs. Mary
We are so proud to shine this month’s spotlight on our incredible infant teacher, Mrs. Mary!

With over 30 years of experience in early childhood education, Mrs. Mary brings not only knowledge and skill—but a genuine love and passion that you feel the moment you walk into her classroom. She is truly a warm, nurturing soul, and her care extends to every infant, parent, and co-teacher she encounters.

Mrs. Mary has a special way of making everyone feel comfortable, supported, and valued. She is hands-on, engaging, and attentive, always creating a calm, loving environment where our youngest learners can feel safe and thrive. Her patience, kindness, and consistency make such a meaningful difference during these important early stages of development.

She is more than just an exceptional teacher—she is a breath of fresh air and a true asset to our school. We are beyond grateful to have her as part of our Kids ‘R’ Kids family.

Thank you, Mrs. Mary, for everything you do!

Soccer Stars

Soccer Stars is an extracurricular activity that is offered once a week during the day here at our school for ages 2-PreK. Coaches pull students from their regular class time to teach the fundamentals of soccer, while encouraging and building self confidence in your children. It has been a few months since our last free demo, if you’d like your child to try out Soccer Stars, please let us know and we’ll make sure they’re able to attend a class to see if they enjoy it!

MEET THE EAGEN'S Family of The Month

Maeve (3) has been coming to kids r kids since March 2025. Along with her sister Aria (9) who takes part in the summer program.

Maeve loves anything outdoors, riding bikes, climbing, swimming, playing with our two dogs Chippa and Ahsoka and of course her special toy Dog.

Aria loves arts, being creative and summer time.

Mum (Melissa) works in admin and Dad (Drew) is a project manager.

As a family we love to get out and see the world, from activities around DFW to visiting Houston and Australia to see family.

We love being part of the Kids R Kids community and have seen the positive impact the educators and other families have had on our children and family.
