A note from the Director

Dear Kids 'R' Kids Families,

What an incredible summer we've had! From exciting field trips and water days to special in-house activities, crafts, games, and unforgettable memories, our students have stayed busy learning, exploring, and having fun. It has truly been a joy watching them grow throughout the summer.

As we prepare for the start of a new school year, many of our children have already begun transitioning into their new classrooms. We carefully plan each transition to ensure every child feels comfortable and confident in their new environment. If your child is scheduled to move to a new classroom, you will receive an email with all the details.

For our families with children heading off to public school, we wish you an amazing school year! If you are still making plans for before or after school care, we invite you to ask us about our School-Age Program. We provide transportation to and from many local elementary schools and offer a fun, safe environment where children can learn, play, complete homework, and build lasting friendships.

As always, thank you for allowing us to be a part of your child's journey. We are grateful for your trust and partnership. Here's to another year filled with learning, laughter, growth, and new adventures!

We can't wait to see what this school year has in store!

Warmly,
Alyse

Referral Incentives

Did you know about the referral incentives that we offer? if an inquiring family lets us know you sent them our way and they end up enrolling, both YOU and THEM will get their 4th week of tuition FREE! A successful place to give referrals is the local Facebook page neighbors, and at community events.

Director's Spotlight – Mrs. Hannah

A+

This month, we are thrilled to recognize Mrs. Hannah for the incredible impact she has made at Kids 'R' Kids Haslet! Mrs. Hannah joined our team in February 2025, and from day one, she has been the definition of a dedicated educator and team player. She is hardworking, flexible, and always willing to jump in wherever she is needed. Whether she's helping in her own classroom or lending a hand in another, she does it all with a big smile and a positive attitude that brightens everyone's day.

One of the greatest compliments a teacher can receive is when children continue to ask for them long after they've moved to the next classroom—and that's exactly what happens with Mrs. Hannah! Her former students light up when they see her and often walk through our doors asking, "Where's Mrs. Hannah?" The loving relationships she builds with her students leave a lasting impression on both the children and their families.

Parents adore Mrs. Hannah for her warm, caring nature and the genuine love she shows every child. She has also built wonderful relationships with her co-teachers, making her someone everyone enjoys working alongside. Her kindness, dependability, and willingness to help have truly made a difference in our school community.

As if we couldn't be more excited for her, Mrs. Hannah is also expecting a baby boy later this year! We are so happy for her and can't wait to celebrate this exciting new chapter with her. Thank you, Mrs. Hannah, for everything you do each and every day. Your dedication, compassion, and joyful spirit make Kids 'R' Kids Haslet a better place. We are so grateful to have you as part of our family! ❤️🍎🍌

*Happy Teacher
Anniversary*

Family of the Month

Meet the Tarver's

Hi! We're the Tarver family! Charlotte (4) has been at KRK since she was 2.5 and Owen (1) has been here since he was 3 months old. We've loved the community we've built here and our kids are always excited to come to school. Charlotte loves swimming, painting, and playing with her brother. Owen loves listening to music, eating his snacks, and playing with blocks. Mom, Kaitlin, is a pediatric nurse at Cook Children's and dad, Charlton, works at Lockheed Martin. As a family we love spending time in our pool, playing with our two dogs, and enjoying time with friends and family. Big shout out to KRK for taking such great care of our kiddos!

What We're Learning This Month Infant and Toddlers

Suite 100 Infants

Dear Family,

We will be learning all about each other and the classroom. our Fundamental Focus this month is Getting to Know you.

Infant will be introduced to signing the word Mom & Dad.

They will practice moving to music, experimenting with objects, self soothing and exploring their classroom environment.

Suite 200 Toddlers 12-18 months

This week, we are learning about each other and our classroom as part of our Fundamental Focus: Getting to Know You. our Sign Language Words of the Week are yes, no, and dad. We will practice saying our names, following directions, answering questions, and exploring our classroom environment.

We will also work on following simple routines, participating in physical activity for three to five minutes at a time, imitating rote counting, and joining in simple songs that include numbers and quantities. Students will practice recognizing and matching two identical shapes, We can't wait to learn, play, and grow together!

Suite 250 Toddlers 18-24 months

Dear Family,

This month, toddlers will focus on "Getting to Know You" by learning about themselves, their classmates, and their classroom. They will practice saying their names, counting to three, recognizing their own pictures, building vocabulary, singing together, sharing toys, improving fine motor and hand-eye coordination, solving problems with others, cleaning up, choosing classroom jobs, and exploring their classroom environment.

NEW
SCHOOL YEAR

Suite 300 Toddler Two's

Dear Family,

We are so excited for a fun-filled month in Toddler Twos! This month, our little learners will be exploring our classroom, practicing good manners, learning about respect, talking about family, and discovering more about their bodies. We will also have fun with the letters Ff, Hh, Vv, and Bb; shapes like circles, squares, triangles, and hearts; and numbers 1, 2, 3, and 4. Through playful hands-on activities, songs, stories, and lots of discovery, our toddlers will grow, learn, and shine each day!

What We're Learning This Month Preschool and Pre-K

Suite 400 Preschool(36-42 months)

Dear Family,

We are so excited for a fun-filled month in preschool! our little learners will spend time exploring their classroom, building friendships, practicing respect, and learning important classroom rules and routines.

- Letters and Language: We will identify and practice letters such as Mm, Hh, Tt, and Bb, while also listening for and distinguishing different sounds in language.

- Math Skills: Children will build early number concepts and practice counting up to ten objects.

- All About Me: Students will identify body parts and discuss the amazing things our bodies can do.

- Science and Senses: We will use our senses to observe and experience objects and the environment around us. Thank you for partnering with us as we help your child grow, learn, and discover new things each day. We look forward to a wonderful month together!

Suite 450 & 500 Preschool(44-48 months)

Dear Family,

We have a fun and exciting month of learning ahead in preschool! our students will explore the letters Ww, Mm, Tt, and Ss while continuing to grow important classroom skills, such as helping create and follow rules and routines. They will use pictures and symbols to identify concepts, answer questions, and build early math confidence by counting objects, telling how many, counting sets with one-to-one correspondence, identifying numbers 1 through 5, and rote counting to 5. our little learners will also enjoy listening to stories read aloud and sharing what they understand. In science and self-awareness, they will discover body parts, learn about what they do, and explore the five sense organs and how they help us experience the wonderful world around us!

Suite 600 Pre-K

Dear Family,

we are so happy to kick off our Getting to Know You adventures! This month, children will smile, share, and discover what makes each friend wonderfully special as we build our classroom family together.

our Fun Weekly Themes are: Welcome, I Like Me, Who Am I?, and Where I'm Going. What We'll Practice is: Listening, following directions, sharing about ourselves, putting events in order, learning classroom rules, writing numbers to 5, enjoying stories, listening for beginning sounds, and singing the months of the year. With happy hearts and smiles each day, we'll learn, laugh, explore, and play!

G.Y.M. Afterschool Program curriculum overview

G.Y.M. Afterschool Curriculum

Dear Families,

we are excited to highlight our Kids 'R' Kids G.Y.M. Curriculum™—a fun and engaging part of our after-school program designed to help children learn, connect, and grow.

G.Y.M. stands for Growing Young Minds, and each afternoon gives school-agers opportunities to build creativity, confidence, friendships, and social skills in a cheerful, welcoming environment.

What Students Can Look Forward To

· Week of 8/3rd through 8/7th Is Vibe Camp All star Week and end of Summer party .

Weeks 8/10th through 8/31st Back to school and afterschool curriculum begins

- outdoor play and time to recharge after the school day
- Snack time and homework support
- Club choices that make learning fresh, fun, and hands-on
- opportunities to work independently and team up with friends
- Activities that support social, academic, and creative growth

We love seeing our students discover new interests, strengthen friendships, and end the day feeling proud of what they have accomplished!

Summer Activity Fee \$100

Soccer Stars

Soccer Stars is an extracurricular activity that is offered once a week during the day here at our school for ages 2-PreK. Coaches pull students from their regular class time to teach the fundamentals of soccer, while encouraging and building self confidence in your children. It has been a few months since our last free demo, if you'd like your child to try out Soccer Stars, please let us know and we'll make sure they're able to attend a class to see if they enjoy it!
