A Note from the Director 🍁

Happy October, KRK Families!

Fall is officially here, and this is one of my favorite times of the year at Kids 'R' Kids! By October, our classrooms have really settled into their routines, friendships are growing, and we are beginning to see so much confidence and independence in our children.

One thing I always remind families is that so much of what children learn at this age happens through the little things. Putting away their own belongings, cleaning up after an activity, trying a new food, using their words with a friend, following classroom routines, and learning to do something without an adult immediately stepping in—those are BIG accomplishments for little people! We encourage that independence every day, and you can help us by encouraging those same skills at home.

As the weather begins to change, please take a minute to check your child's cubby and make sure their extra clothes still fit and are appropriate for the cooler temperatures ahead. Texas weather certainly keeps us guessing! Most of all, thank you for continuing to trust us with your children. We have such a wonderful group of families, and I love watching our children learn, grow, and become a little more independent every day.

Here's to a fun-filled October with lots of learning, laughter, and a little fall magic!

Referral Incentives

Did you know about the referral incentives that we offer? if an inquiring family lets us know you sent them our way and they end up enrolling, both YOU and THEM will get their 4th week of tuition FREE! A successful place to give referrals is the local Facebook page neighbors, and at community events.

The competition is on!
Sales End October 5, 2026

We are excited to announce that our Butter Braid Fundraiser has officially started! 🎉

If you have never tried Butter Braids before, you are in for a treat—they are absolutely DELICIOUS! These frozen pastries are perfect for breakfast, holidays, special occasions, or simply when you want something sweet and easy to have at home. Even better, all orders will be delivered directly to the school for convenient pickup. And, of course, we couldn't have a fundraiser without adding a little friendly competition! 🏆

Each classroom will be competing to see who can have the highest total sales. The classroom that comes out on top will earn a special reward! They can celebrate with a classroom party OR receive a gift card that their teachers can use to plan something fun for the children or purchase something special for their classroom. Every order makes a difference, and we would love for our families to help us make this fundraiser a success. Feel free to share the fundraiser with grandparents, family members, friends, neighbors, and coworkers—the more, the merrier!

🛒 Shop & Support Our Fundraiser:

<https://store.myfundraisingplace.com/13b91c52-25ac-4ed2-bb86-fb25d946b51c>

Thank you, as always, for supporting Kids 'R' Kids and our classrooms. We can't wait to see which classroom takes home the win!

Happy Selling!

Teacher of the Month
Ms. Kylee

We are so excited to recognize Kylee as our October Teacher of the Month!

Kylee joined our Kids 'R' Kids Haslet family in 2024, initially spending her summer working with our School Age children in the gym. Since then, she has truly shown us what it means to be a team player. Kylee is one of those teachers we know we can count on. She is willing to jump into any classroom where she is needed, come in early, stay late, and adjust when things change. She works well with everyone, treats her coworkers and leadership with respect, and always walks through our doors with a smile on her face and a positive attitude. But perhaps the best reflection of the kind of teacher Kylee is comes directly from our children. When they see her, they run to her, surround her, and smother her with hugs! ❤️ Children know when someone genuinely cares about them, and it is obvious that Kylee has built some very special relationships throughout our school. Kylee, your flexibility, dependability, kindness, and willingness to help wherever you are needed do not go unnoticed. We appreciate everything you bring to our team and the difference you make in the lives of our children.

Congratulations, Kylee! We are so happy to have you as part of our Kids 'R' Kids Learning Academy of Haslet family! 💙
Well deserved! 🎉

Congratulations!

Family of the Month

Meet the Chinkata Familhy

our family has been a part of Kids r Kids family since 2022! our youngest, Zara(2) has been here since 2025 and Kaylee (6) was at Kids r Kids until 2025 when she got into elementary school. The kids love it here and it's been a great and positive experience for them.

(hidozie (Dad) works as an engineer, while (hizoba (mom) works in banking. Even with our schedules, we are thankful for the teachers and all the staff at Kids r Kids Haslet, who look after our precious babies with so much love.

Whenever we are not working, or schooling, you can find us traveling to new cities, on long road trips or simply spending time together as a family!

What We're Learning This Month Infant and Toddlers

Suite 100 Infants

What We're Learning in the Infant Classroom

We're excited to welcome October with our Autumn Highlights focus! Your little ones will enjoy gentle, age-appropriate activities that invite them to discover the season's colors, sounds, textures, and changes through play.

our Weekly Themes: Together, we'll explore Trees, Apples, Pumpkins, and Scarecrows—bringing the wonder of autumn into our classroom each week.
Sign Language We'll Practice: We'll introduce the signs for cat, up, down, thank you, more, and corn, giving infants simple new ways to communicate with their teachers and families.

What We'll Be Learning: Throughout the month, infants will build confidence as they practice early movements, experiment with objects, and explore grass and other parts of our outdoor environment. They'll also strengthen their reflexes, discover the many uses and sensory qualities of apples, enjoy playful finger rhymes, look at books, and explore sand with caring adult support. We look forward to a joyful month of learning and discovery!

Suite 200 Toddlers 12-18 months

A Peek at What We're Learning in October
We're excited to welcome a month full of cozy autumn learning! Our October focus is Autumn Highlights, and each week we'll enjoy a new seasonal theme: trees, apples, pumpkins, and scarecrows. We'll also practice the sign-language words apple and more, giving our toddlers fun new ways to share what they see and need.

Through simple stories, cheerful songs, movement, and hands-on play, our little learners will practice counting groups of one and two, use new words to talk about the weather, and discover interesting facts about apples and pumpkins. They'll also strengthen hand-eye coordination, explore how objects move by pushing and pulling, and sing songs about trees, numbers, and quantities. We can't wait to learn, explore, and celebrate the season together!

Suite 250 Toddlers 18-24 months

What We're Learning in the Toddler Classroom

We're excited to welcome a new month of learning and fun! In October, our Autumn Highlights theme will bring trees, apples, pumpkins, and scarecrows to life through songs, stories, movement, and hands-on play.

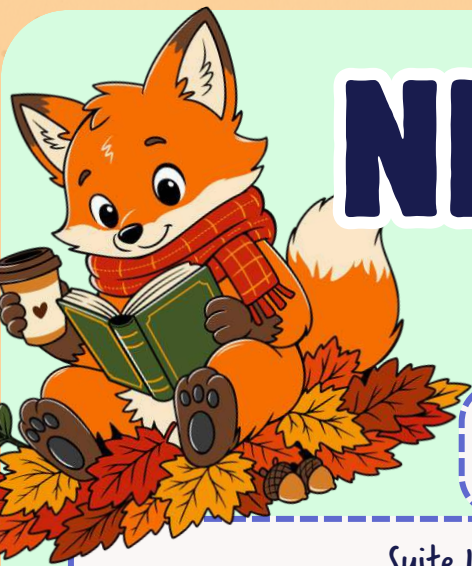

Your little ones will practice counting one and two objects, describing the weather, building hand-eye coordination, and exploring pushing and pulling. We can't wait to learn and grow together! Our sign language word of the month is apple.

Suite 300 Toddler Two's

October is going to be full of color, shapes, counting, and Autumn Highlights fun in our two-year-old classroom! Our little learners will be busy spotting the colors brown, red, orange and black during songs, stories, art, and playful classroom activities. We will also go on shape adventures as we learn about stars, circle, squares and triangles all around us.

We will count, clap, jump, and play our way through the numbers 9, 10, 5 and 3! This month, we will also meet the letters Tt, Aa, Vv and Ww through fun sounds, simple games, and age-appropriate activities. Our words of the week will be trunk, apple, vine, and spiders as we explore exciting weekly themes: Terrific Trees, Apples for you and me, Pumpkin Patch and Spinning Spiders.

We can't wait for a October filled with giggles, creativity, discovery, and lots of joyful learning. Thank you for sharing your wonderful little learners with us—we are so excited to learn, play, and grow together!

G.Y.M. Afterschool Program curriculum overview

G.Y.M. Afterschool Curriculum

Dear Families,

we are excited to highlight our Kids 'R' Kids G.Y.M. Curriculum™—a fun and engaging part of our after-school program designed to help children learn, connect, and grow.

G.Y.M. stands for Growing Young Minds, and each afternoon gives school-agers opportunities to build creativity, confidence, friendships, and social skills in a cheerful, welcoming environment.

- outdoor play and time to recharge after the school day

- Snack time and homework support

STEAM ACTIVITY (Science/Technology/Engineering/Art /Math)

- Club choices that make learning fresh, fun, and hands-on

- opportunities to work independently and team up with friends

- Activities that support social, academic, and creative growth

We love seeing our students discover new interests, strengthen friendships, and end the day feeling proud of what they have accomplished!

What Students Can Look Forward To for the month of October

October Gym & School-Age Highlights

In October, our gym time will be full of movement, teamwork, and fun. Our school-age students will also enjoy an engaging curriculum throughout the month.

During National Fire Prevention Week, children will learn important safety skills like stop, drop, and roll, recognizing smoke-detector sounds, and creating a simple home escape map.

We'll celebrate National Youth Confidence Day with activities that build self-affirmation and positive self-talk. For Indigenous Peoples' Day, students will explore nature and create meaningful art inspired by Indigenous cultures. And during National Health Education Week, we'll challenge ourselves to make healthy choices through hands-on activities and discussions.

Thank you for sharing your children with us. We look forward to a wonderful month together.

If you'd like, I can also create a more polished newsletter version, a bullet-point layout, or a social-media caption.

Soccer Stars is an extracurricular activity that is offered once a week during the day here at our school for ages 2-PreK. Coaches pull students from their regular class time to teach the fundamentals of soccer, while encouraging and building self confidence in your children. It has been a few months since our last free demo, if you'd like your child to try out Soccer Stars, please let us know and we'll make sure they're able to attend a class to see if they enjoy it!
