Favorite Activities

1. We are going to develop simple problem solving skills by locating green objects hidden around our classroom.
2. We are going to practice our writing skills and math by scribbling a rainbow on our rectangles.
3. We are going to express our creativity through art and identify our basic shape, the square, while we decorate our own square picnic blanket.
4. We are going to work on self-help skills by attempting to dress ourselves up for summer.
5. We are going to express our creativity by using foam paint to decorate our number 7.
