Everyone is sitting, listening, and learning about the color green through reading a book.

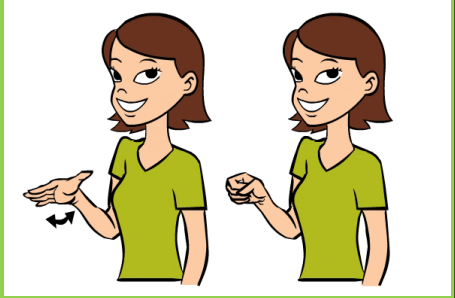
Kids R Kids Learning Academies BRAIN waves™

Temporal Lobe Activity

Tapping Out

We will hide a toy in our hand and ask the children if they would like to see it. We will open our hand a little and then close it. We will ask the children where it went.

This activity helps develop an infant's explicit and implicit memory.



milk

Fundamental Focus

Getting to Know You

My Wonderful World

Weekly Themes

Fun with Family

Family with Friends

People in the World

Things in My World

Sign Language

dad, eat, milk

Favorite Activities

1. ***We will encourage the infants to look and point at their family picture and say, "This is my family."***
2. We will encourage the infants to hold, touch and talk about different colored and textured shapes.
3. We will encourage the infants to make feather prints with paint on paper.
4. We will encourage the infants to make a toy make sound or light up and say, "Yay, you did it!"

Learning at Home

Point out objects at home and name them and then ask your child to repeat what the object is.
