Daniel picked the color hat he wanted to wear for some summer fun.

Parietal Lobe Activity

Sleep Stimulation

Gathering infant and preparing for nap in your arms. While we rock will ask the infant, "Are you sleepy? Do your eyes feel heavy? sleepy, sleepy eyes."

This activity promotes trust, which builds adult/infant relationships.

Favorite Activities

1. We will encourage the infants to pull out shredded paper from the box and put it in another box.
2. Will encourage the infants to come and sit with us to read a book about red items.
3. We will encourage the infants to watch the water turn blue and than splash in it.
4. We will encourage the infants to color a yellow flower with a yellow marker.

Learning at Home

Parents please take your infant around the house and point out the different colors they see.
