Frontal Lobe Activity

Musical Art

The children will wait for the music to begin. When they hear the music start they will begin to finger paint. When the music stops the kids will stop painting and see what they created.

This activity stems impulsivity and inspire creativity.

Fundamental Focus

Shades of Summer

Weekly Themes

Cool Blue Summer

The Ice Cream Parlor

Red Hot Summer

Bright Yellow Summer

Sign Language

Ice Cream, Red, Blue & Yellow

Favorite Activities

1. We are going to express our creativity by making ice cream sundaes by making scribbles and marks.
2. We are going to experiment "the color red" with spontaneous vocal play.
3. We are going to express our creativity by making blue circles with art materials.
4. We are going to interact with yellow balls of playdough while filling up a cup with balls made. This activity builds problem solving.

Learning at Home

Parents please practice your child's weekly sign language, alphabet, shapes and numbers.
