

September 7

Teddy Bear Day

September 9

Mason is putting the blue Donald Duck to bed showing where we sleep.

### Frontal Lobe Activity

#### X's and O's

Tell the infants how much you love them. Hug infant softly, and explain your action.

**This activity activates the neural mechanisms underlying emotion regulation, which allows infants to process emotions.**

### Fundamental Focus

My Wonderful World

### Themes

People in my World

Things in my World

### Sign Language

Dad, Eat, Milk

### Favorite Activities

1. We will encourage the infants to come to our Family Tree and point to their families.
2. We will encourage the infants to come and sit with us to explore the different colored shapes.
3. We will encourage the infants to come and sit with us using feathers.
