Hh, Tt, Pp, Ee, Ss

Favorite Activities

1. We will be identifying our different body parts and counting them.
2. We will be exploring and learning about our senses along with tasting different foods, smelling different items.
3. We will be learning about different workers in our community and the jobs that they do such as police officers, doctors, and teachers.
4. We will focus on firefighters along with fire safety and build an obstacle course to crawl “ under smoke.”
