HAPPY COLUMBUS DAY
October 12

Ms. Yael teaching her infants how to share with their classmates.

Occipital Lobe

Activity

Shapes and Colors

We will spread circles in front of the infant. In an upbeat tone, we will say, "Let's play Twister. Right hand green." Place a green circle under the infant's right hand.

Favorite Activities

1. We will encourage the infants to come and play in the leaf pile and explore the different colors of the leaves.
2. We will encourage the infants to come and play hide-n-seek with us looking for the red apple.
3. We will encourage the infants to come and explore the real pumpkin we will be carving.

Learning at Home

Take a walk outside and look at the leaves on the trees. Point out their colors.
