## Frontal Lobe Activity

**Impulse Control**

**In this activity children must concentrate and control their actions. For added difficulty, use verbal commands without music, and change the volume. Have fun!**

- Fundamental Focus**
  - Destination Summer
  - Literacy Connection**
  - Demonstrate print has meaning
  - Math Connection**
  - Quantities of Coins
  - Weekly Reader Book**
  - It is Summer!
  - Words of the Month**
  - Information
  - Sight Words**
  - Look, Under, What
  - Favorite Activities**
1. Explaining to students that there is information everywhere and signs demonstrate print and have meaning.
  2. Students will find items in our class marked with a price and exchange equivalent quantities of coins.
  3. We will be reading a theme related story in search for our W's( who, what, when, where)
  4. Practicing safety procedures in the kitchen with tools and materials.
