Ms. Rylee and babies discussed how a heart symbolizes love.

Occipital Lobe

Activity

This activity builds eye-muscle coordination, tracking, and eye teaming skills infants.

Today you are You,
that is truer than true.
There is no one alive
who is Youer than You.

-Dr. Seuss

Fundamental Focus

Up, Up, and Away

Theme

Kindness Counts, Good Morning Sun, What Flies?, Raindrops and Rainbows

Sign Language

more, up, down

Favorite Activities

1. We will encourage the infant to paint a picture with their friend sharing the paint.
2. We will encourage the infants to sing "Twinkle, Twinkle Little Star" while holding a gold star.
3. We will encourage the infants to come look at the bubbles floating in the air.
4. We will encourage the infants to squeeze water from cotton balls to make raindrops.

Learning at Home

Talk to your infants about what can fly.
