rainbow, breeze, opposite, mission

Literacy: demonstrate expressive language skills

Math: explore concepts of classification

Favorite Activities

1. Under My Umbrella: We will create a story about a magic umbrella and take turns being a weather reporter.
2. Kites in Flight: We will be building awareness of different cultures and ethnicities discussing "Hamamatsu" the kite festival in Japan.
3. Day & Night: Understand language associated with time by talking about what happens to the sky at those particular times.
4. Mission to the Moon: We will be going on a "mission" to space to learn about Earth, Space, Astronauts.

Today you are You,
that is truer than true.
There is no one alive
who is Youer than You.

-Dr. Seuss
