- Favorite Activities**
1. We are going to express our creativity through artwork by decorating ducks.
 2. We are going to use our oral language for creativity by singing and dancing to a song about playing all day.
 3. We are going to follow what happens in a story about the sun, by discussing each page.
 4. We are going to experiment with different art materials while we decorate our own beach ball.

June 27
Wear your favorite sunglasses to school.
