JUNETEENTH
FREEDOM DAY

Our friends are painting the letter Nn in Pink!

Occipital Lobe Activity

Shapes and Color

We will ask our students to find something in the class that matches a certain color or shape.

Friday, June 20

Transition Week!

Week of 6/23-6/27

Fundamental Focus

Destination Summer

Colors of the Month

Yellow, brown, blue

Letters of the Month

Gg, Zz, Cc

Shapes of the Month

heart, rectangle, circle

Numbers of the month

10,1,2,3

Words of the Month

Garden, Zoo, Car, Fingers

Favorite Activities

1. Letter Trace: The children will be tracing letters in sand with their fingers allowing them to experiment with "writing tools."
2. Wiggle fingers: We will be counting in sign language on our fingers and learning.
3. Shapes at the Zoo: The children will be finding Zoo animals that are in shapes, they will begin to recognize and name 2 dimensional shapes.
4. A vacation we will have: We will be singing a nursery rhyme about vacation, we will listen to and imitate sounds in songs and chants.

Happy National
Pink Day!

6/23

June 27

Wear your favorite sunglasses to school.
