FAVORITE ACTIVITIES

1. We are going to actively explore our environment by searching for the butterfly pictures hidden around our classroom.
2. We are going to explore measurement concepts by identifying big birds and small birds.
3. We are going to express our creativity by decorating our own bird nest.
4. We are going to use our words to identify all the green items in our classroom.

Learning at Home

Please encourage your child to practice their colors, shapes, numbers and alphabet at home.
