## HAPPY NEW YEAR 2021

**Don't just hope  
for a great year.**

**Make it a  
great year.**

As we finish 2020, we cannot help but look back at all the challenges we had to endure, and hope for a completely different 2021. However, our expectations might be crushed if we do not realize that we are far from returning to normal and that this is not the time to relax our safety practices.

At Kids 'R' Kids of Jersey Village, every single one of us is completely invested in our jobs, have a true passion for children, and could not feel more honored about being here! We are optimistic for what this new year can bring, and we are ready to embrace every opportunity with open arms!

We are grateful for your trust and for having the opportunity to be part of your children's lives. We do not take this commitment lightly and strive to do better every day. Our partnership with you and your continuous support made it possible for our school to successfully finish 2020 with minimal impact from COVID cases. We could not have done it without all of your effort and commitment to health and safety. Thank you!

If we learned something this past year, it is that we are more resourceful than what we think, deeply care about each other, and need to come together as a community to face challenges. I could not be more proud and honored to be leading such an amazing school and to consider each one of you as family! Let us celebrate the beginning of 2021 together and cheers to the New Year!

**This year, we will be participating in the “National School of Choice Week” from January 25<sup>th</sup> to January 29<sup>th</sup>.**

**School choice is the process of allowing every family to choose the educational options that best fit their children. These options include all forms of education, from traditional public schools, to public charter schools, public magnet schools, private schools, online academies, and homeschooling. We have prepared special activities for our children to do and that will show all the amazing things our school has to offer.**

## Employee of the Month

We want to recognize Ms. Michelle Paz for her great job with our toddlers. Ms. Michelle has shown amazing professional growth in her time with us and has really stepped up to fill in for Ms. Maria while she is on a well-deserved vacation with her family! Ms. Michelle goes above and beyond to provide a positive and loving learning environment for her children! Great job Ms. Michelle!

## Welcome to Kids ‘R’ Kids

One of the most important changes that we have had to undergo due to COVID-19, is the fact that parents are not allowed to come in the school. We are immensely proud of the family environment that our school offers, and we do not want our new families to miss out on it. Starting February, we will be hosting a meet and greet with new families every other month. We will follow social distancing, but we want to provide a space for new families to feel welcomed and to have the opportunity to get to know our management team better.

Stay tuned for information on the first meeting!

## Parents Night Out

We have been looking for activities that we can bring back to our school and we would like to know if you will be interested in participating in Parents Night Out. We are confident that we can safely host it, but we wanted to know if our families are willing to participate.

Please send an email to [jeannette.encinoso@krk4.com](mailto:jeannette.encinoso@krk4.com) if you want us to resume Parents Night Out

## Wacky Wednesday

We want ALL our children to participate in our Wacky Wednesday Activities!!! Let us show our school spirit every week!

- Wednesday, January 6<sup>th</sup>: Dress like your favorite Superhero
- Wednesday, January 13<sup>th</sup>: Wear boots to school
- Wednesday, January 20<sup>th</sup>: Wear Pajamas
- Wednesday, January 27<sup>th</sup>: “100 days” of school
