ANNUAL SUPPLY FEE

A graphic with the words "SUPPLY FEE" in a colorful, multi-colored font.

It is exciting that our children are back at school, and we all seem to be getting back to our routine. As you know, every year when school starts back, we charge our “Annual Supply Fee”. The funds are used to ensure all classrooms have the needed supplies. The fee is \$130 per child or \$190 per family; it will be charged on Friday, September 2nd and must be paid in full before Wednesday, September 7th by the families not enrolled in automatic payments.

PARKING

Please refrain from parking directly in front of the school at all times. We need the carport to be free of traffic to load and unload the school buses and ensure the children’s safety when doing so.

We have parking spots in the front and back of our school. The parking lot can get busy at times so please be patient and allow yourself a few extra minutes when picking up and dropping off your children.

FALL PICTURES

Lifetouch will be taking Fall Pictures and Class Pictures on September 19th and 20th. Please bring the outfit that you want your child to wear for the pictures on the 19th, and our teachers will change them since we do not know which classes will go on what day. Parents will get proofs on September 20th and can bring the order form back to the school or place your order online. We are also taking class group pictures, please make sure your child attends school both days to be present for the class picture.

SAY CHEESE!!!

EMPLOYEE OF THE MONTH

We want to recognize Ms. Kim White for her amazing job in our school. Ms. Kim has been part of our Kids 'R' Kids family for over a year, and we are super grateful for all she does. She goes in every class and helps anywhere we need her. Ms. Kim has the best attitude and is always having fun with the children.

Way to go Ms. Kim!!!

PARENTS NIGHT OUT

We will be hosting Parents' Night Out on Friday, September 16th from 6:30pm to 11pm. Don't miss this great opportunity to enjoy a night out while your children have fun with us!

Please let a member of management know if you want to participate!

FIELD TRIPS

Starting in September, Advanced Pre-K will enjoy educational field trips once a month. The field trips will be local to get the children comfortable with bus and safety procedures. Pre-K field trips are a great opportunity for children to learn outside of the classroom and get ready for their future Summer Camps. Parents can attend field trips but are not allowed to ride our bus!
