## HOW MATTERS

Kids 'R' Kids provides a unique and complete brand of caring for our children and families. We start with intentionally connecting to each child, ensuring they know they are heard and cared for in every respect. When we “hug first then teach”®, a child becomes loved in their surroundings and open to meaningful interactions and learning. We are a family organization that cultivates and creates family.

In our world at this moment, caring well matters. With so many complex circumstances affecting and disrupting our daily lives, it is easy to feel overwhelmed and unable to show up for one another. The “How Matters” campaign values the voice of every person – big and small.

- **For our staff: HOW MATTERS** because we find value in doing rewarding work that is not only needed but impactful.
- **For the families: HOW MATTERS** because the children are at the heart of our care. Every action we take plays a role in shaping who children will grow up to be.
- **For the children: HOW MATTERS** because they will never forget how we make them feel.
