RED RIBBON WEEK

Dear Families,

Red Ribbon Week is an alcohol, tobacco, and other drug and violence prevention awareness campaign observed annually in October in the United States. It began as a tribute to fallen DEA special agent Enrique Camarena in 1985. Red Ribbon Week is the nation's largest and longest-running drug awareness and prevention program. As a preschool we join this campaign every year and you talk to our children about the importance of making **“Good Choices”**. We have planned different activities for our children for the week of October 23rd through October 27th. We hope everyone participates and please discuss with your children the importance of making **“Good Choices”**!
