SPRING BREAK 2024

We are very excited for this Spring Break! We have put a lot of effort into planning to ensure our children are going to love it! They will have two amazing field trips and lots of great activities here!

It is great for children to have a break from school in the middle of the year and we are here to ensure unlimited fun! Spring Break is also a sneak peek for our summer camp program. This will give you the opportunity to experience how the schedule and activities are going to work during the summer months!
