NEW TRAFFIC PATTERN

Dear Families,

Thank you so much to all who responded with your opinions about our proposed traffic pattern. All responses received were in favor of the proposal. We are very excited to announce that soon you will see new directional arrows and signs to organize traffic flow and make our school grounds safer for all.

Our south driveway (closer to West Rd.) will be used only to enter the school. The north driveway (closer to the trail) will be an entrance only if going straight to park in the back of the school, this driveway will also be the only exit.

We thank you for driving slowly and being aware of children in the parking lot. Children's safety is our top priority at Kids 'R' Kids of Jersey Village.
