## New Year resolutions in preschool

New Year's Resolutions are an exciting way to start the year! 2025 has been another busy year at Kids 'R' Kids of Jersey Village, and we want our children to get off to the best start in 2026!

Setting goals is an important part of your preschool child's early development. Making commitments teaches children how to be responsible and creating resolutions together can be a great way to start good habits from a young age. Talk to your children about how the New Year can be an exciting time for growth and change. Encourage them to set some resolutions and how to achieve them. Some examples can be:

- 1) I am going to eat more healthy foods.
- 2) I am going to learn new things.
- 3) I am going to move more.
- 4) I will help with chores.
- 5) I will be nice to my family and friends.
- 6) I will talk about my feelings more.
- 7) I will always do my best.

Be a resolution role model and make some of your own. Making resolutions a ritual can be an excellent way to spend time together and reflect on the year gone by.

**This year, we will be participating in the "National School of Choice Week" from January 25<sup>th</sup> to January 31<sup>st</sup>.**

**School choice is the process of allowing every family to choose the educational options that best fit their children. This is an opportunity to promote our school and the importance of preschool education in children's development.**

**We have prepared special activities for our children to do and that will show all the amazing things our school has to offer.**

## Employee of the Month

We want to recognize Ms. Kezhanae Johnson for the great job she is doing in our school. In her time with us, Ms. Kezhanae has shown amazing teaching skills. She is super sweet and has a very positive attitude!

Congratulations Ms. "Nae"!  
Way to go!

## Parents Night Out

We will be hosting Parents' Night Out on Friday, January 16<sup>th</sup> from 6:30pm to 11pm. Let us take care of the children while you enjoy a special night out!

Please sign up at the front desk if you want to participate!

## Extra clothes

Parents, we appreciate your cooperation by ensuring that your child always have extra clothes in their cubby. We understand what an inconvenience it can be to receive a call in the middle of the day to bring a change of clothes for your child. Please help us prevent this by always providing extra clothes for their cubby.

## Pre-K Field Trips

This month, our children in Suite 500 will have their monthly field trip at Kanga's Indoor Playground on January 21<sup>st</sup>. Kanga's is a favorite field trip destination, and we chose it for January due to the unpredictability of the winter weather.
