WHY OUR PRE-K PROGRAM IS BETTER

The prekindergarten year has a big impact in preparing young children for school readiness and future academic success. Some of the advantages of choosing Kids 'R' Kids of Jersey Village over public school pre-K programs are:

- Smaller class sizes for more individualized learning opportunities.
- A specialized and accredited curriculum that exceeds the standards for Texas education.
- Extracurricular activities to enrich learning experiences.
- Extended hours all year long, children can attend Kids 'R' Kids during the school holidays with uninterrupted learning.
- Fresh meals prepared in our school by Chef Chris.
- Daily updates through our Procure Connect app.
- Livestream camera access in all classrooms and playgrounds.

We understand how prekindergarten children learn, and our programs are designed for that developmental stage. When you choose Kids 'R' Kids of Jersey Village you are choosing more than a preschool, we are choosing a place that will equip your child with the foundation that they will need when transitioning to elementary school and beyond.

Give your child an exceptional foundation with our Pre-K Program!

EMPLOYEE OF THE MONTH

We want to recognize Ms. Tatiana Evans for her amazing job during this summer! Ms. Tatiana is a dear member of our family. She left our school last fall to pursue a teaching opportunity, returned this summer, and it feels like she never left. She has been a great asset and makes a difference in every class she is in. Congratulations Ms. Tatiana!
