ENHANCEMENT PROGRAMS

Dear Families,

We are very excited to offer two enhancement programs this fall. There is a fee for children who desire to enroll and all classes are held weekly at our school:

- **Rhythm Dance (Mondays at 9am):** This class is designed for students ages 2-5 years old. Dance styles include ballet, jazz, hip-hop, tap, Latin and modern. Along with new dance skills, students will also develop body awareness, spatial awareness, cognitive, language and social skills. Each month, children will explore a class theme designed to engage their imagination.
- **Soccer Shots (Tuesdays at 10:15am):** This is an engaging children's soccer program with a focus on character development. This program positively impacts children's lives on and off the field through coaching, communication, and curriculum. Soccer shots will offer two programs:
 - **MINI (2-3 years old):** Soccer Shots Mini is a high-energy program introducing children to fundamental soccer principles, such as using your feet, dribbling and the basic rules of the game.
 - **CLASSIC (3-5 years old):** Soccer Shots Classic utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing, and shooting.

Employee of the Month

We are recognizing Ms. Leda Castaneda as our employee of the month for September. Ms. Leda has a very positive attitude, and she is always willing to help wherever she is needed. Her smile lights up the babies' faces as soon as they see her. We are very happy to have Ms. Leda as part of our family!

Congratulations Ms. Leda!

Pre-K Field Trips

With the start of the new school year, we will resume our educational Pre-K field trips. All our Pre-K children will participate in an educational field trip every month. Please check our calendar for more information including field trip destinations, dates, and times. We believe in expanding learning outside of the classrooms, and field trips are an incredible experience for our children to help prepare them for their elementary school years!
