Proud Owners

Our Philosophy:

We believe children should be "**Hug First, Then Teach.**"

Our Mission:

Kids R Kids Learning Academy provides a secure, nurturing, and educational environment for young children; a place for children to bloom into responsible, considerate, and contributing members of society.

Kids R Kids wants all children to have the opportunity to grow physically, emotionally, socially, and intellectually by playing, exploring, and learning with others in a fun, safe and healthy environment.

As a family-owned and operated organization, Kids R Kids welcomes positive family involvement and encourages a family-teacher approach where the needs of every child comes first to obtain a successful early childhood education.

Kids 'R' Kids History:

After twenty-four years of operating Kiddie City, a very successful childcare and kindergarten located near Atlanta, Georgia, Pat and Janice Vinson decided to build a preschool from the ground up. They sold their business and moved closer to the city where they designed, built, and opened the very first Kids 'R' Kids in May of 1985. With a growing need for quality care and the overwhelming success of their first school, another Kids 'R' Kids opened fourteen months later, and yet another two years after that.

Business was booming but it was also becoming complicated to stay on site in three different locations; therefore, the concept of franchising came into practice. Kids 'R' Kids International, Incorporated was then formed and Pat and Janice Vinson sold their first franchise in the fall of 1988, Kids 'R' Kids #4 Georgia. Kids 'R' Kids International, Incorporated has since blossomed into a nationwide corporation serving owners and their businesses throughout the United States.

Equal Opportunity:

This School does not discriminate on the basis of race, color, religion, national origin, sex, citizenship, handicap or disability or any other legally protected status in regards to admissions or in the administration of its educational policies and administered programs.

This School makes its programs and services accessible to individuals with disabilities. The School welcomes requests for accommodation. The School will attempt to provide reasonable accommodations to qualified students with mental or physical disabilities, to the extent that such a request does not cause a fundamental alteration to the School's programs/curriculum and to the extent that it does not create an undue hardship for the School.

The first step in requesting an accommodation is to provide the Owner with documentation of the condition from a qualified professional, such as a physician, psychiatrist, or psychologist. Upon receipt of such documentation and recommendations, we will communicate with the family in an interactive process to obtain additional information or discuss the circumstances related to the request.

Communications:

Role of Families or Other Caregivers: Our General Expectations for You

The relationship between families and School staff is vital to the success of a child's experience. A partnership must be formed the first day, with open communication and understanding that the development and the growth of the child is our top priority.

Families can assist and help ensure a smooth transition by doing the following:

- Sign children in and out at the front desk and then escort them to their designated class.
- Supervise your children at all times while escorting them inside the School and in the parking area.
- Drive safely through the parking area.
- Have all forms completed promptly.
- Update forms, as needed, when changes occur (i.e., new phone number, address, etc.).
- Keep staff informed of special needs or changes that might affect your child's behavior.
- Notify the School if your child is ill.
- Notify the School if your child will be absent.
- Notify the School if you will be later than usual picking up your child.
- Provide two changes of clothes marked with your child's name.
This request is for all ages. Our School is not responsible for the lost clothing. Please change clothing seasonally to accommodate the changes in weather and the growth of your child.
- Children should be dressed properly for the weather and play.
- Do not allow children to bring toys. (This rule does not include special transition toys such as a blanket or other security to be used at naptime.)
- Participate in the School's special activities.
- Attend scheduled family meetings and conferences.
- Ask questions, make suggestions, or address concerns as they arise.

Family-Teacher Conferences:

Family/teacher conferences may be scheduled any time during the School year at the request of the family or teacher. **Arrangements should be made directly with the Director.**

Inclement Weather Information:

This School takes into consideration several factors when making a judgment as to whether we will open late or close early due to inclement weather. We do our own assessment of the conditions including local authority recommendations, local road conditions and forecasted temperatures. Please call the School, check our website, check our Facebook page, listen to the radio or watch television for announcements about closings due to inclement weather or other unforeseen circumstances. We will be informing you immediately.

If our School must close due to unexpected circumstances, such as inclement weather, then full payment of tuition is required. We reserve the right to close any additional days needed and full tuition payment is expected. We will follow Conroe ISD weather closings.

Emergency Situations:

If an emergency situation develops such as severe weather, fire, physical damage to the building or any other situation that poses a threat, the safety of our children is our first priority. Our Center is equipped with a weather band radio, fire alarm sprinkler system and fire extinguishers. Fire and severe weather drills are conducted according to Texas regulations.

If there is an emergency situation and it becomes necessary to close the School, parents will be notified to make arrangements for early pickup. In an emergency situation if it is determined that the building or premises is unsafe, the children will be transported to:

Classroom Experience:

Curriculum:

Educational priorities are well defined at Kids 'R' Kids Learning Academy. Our comprehensive curriculum materials are designed specifically for each stage of development.

The Kids 'R' Kids Curriculum establishes a solid foundation for educational growth beginning with a child's first day. Each of our curriculum programs is research-based and includes developmentally appropriate activities.

We continue to educate children through the preschool years and beyond with theme based, academically stimulating, hands-on units. We provide teachers with the curriculum materials they need to create a positive learning environment that will challenge children and move them toward mastering new skills.

Infant through One:

Taking care of infants is rewarding, and we recognize that each infant has individual needs. We believe that once a trusting relationship is built, teachers can better assist children in reaching developmental milestones. In a warm, loving atmosphere based on trust and respect, our staff can provide for these needs. In aiding with this transition, our student to teacher ratio is 1 to 4, in attempts to provide each child with the attention they deserve.

We will provide mothers who wish to breastfeed their new baby with a comfortable seat in our facility. In addition, please let us know if you would like to provide breast milk for your child while he or she is in our care.

We recognize that physical separation from the baby and family is always difficult. Our School strives to help families and children experience a calm transition of physical and emotional separation through our safe and loving environment. We encourage families to take the time they need to make this separation as smooth as possible and to let us know how we can support in the process.

We adhere to infants' safe sleep. Infants not yet able to turn over on their own must be placed in a face-up sleeping position in the infant's own crib, unless you have a completed Sleep Exception Form that includes a signed statement from a health-care professional stating that a different sleeping position for the child is medically necessary.

Two through Three:

Two and three-year olds are naturally curious. Building off this natural curiosity, children are given the opportunity to explore their world safely. Children are encouraged to develop their self-help skills, such as feeding themselves and toilet training. Each child is treated as an individual during this important time as a way to help them develop their independence and self-management skills. The teacher to child ratio for 2 years old is 1 to 10, and for three years old is 1 to 15.

Four through Five:

The concept that children learn best through play is reflected in the environmental design of each classroom. Our environment encourages experimentation and freedom of choice. The atmosphere also encourages independence and the building of self-management skills. In addition, the use of a daily schedule helps children feel secure and independent as they anticipate activities and the opportunity of making choices on an individual basis. The teacher to child ratio in this age group is 1 to 18.

Kindergarten through Fifth Grade:

At our School we understand the changing needs of older children and their families. A variety of programs are available: before and after School, holidays, and summer camp. Each program is designed to allow for free choice as well as teacher-facilitated activities. Children are encouraged to increase their knowledge, develop as individuals, and expand their social skills. The teacher to child ratio in this room is 1 to 25.

Admission and Related Processes:

Enrollment Process:

Families are encouraged to have their children with them the first time they visit the School. It is important that the child and the parent feel absolutely comfortable with our staff and the facility.

To reserve space in our program you must submit a completed application and the **non-refundable annual enrollment fee**. This will be collected every July on an annual basis. Amounts of all fees are found on the fee schedule.

Age Ranges of Children Accepted:

We accept children ages 6 weeks through 11 years of age. All children must be observed by the School prior to admission to assure that our program can effectively meet their needs.

First Day:

On your child's first day of School the following forms must be *completed, signed and reviewed by the administrative staff*:

- Enrollment Application
- Immunization Report
- Health and Emergency Form
- Emergency Information Card
- School Transportation Form (if applicable)
- Infant Information Form (if applicable)
- Acknowledgement of Receipt of Family Handbook
- Acknowledgement Forms Found in the Enrollment Packet

If applicable, please bring diapers, wipes and a change of clothes to keep here at school. You will be notified via KidReports App when items are running low.

No child may continue enrollment in School for more than 30 days without a current immunization report. Please make the administrative staff aware of any allergies or special dietary requirements prior to your child's first day.

If the information in these forms changes during the child's enrollment, families are responsible for notifying the School in writing of the changes. This includes but is not limited to phone numbers, emergency contacts, work locations, or child's physician.

Families will have the chance to observe in the child's classroom prior to enrollment as well. Visitation in the classroom after enrollment is welcome and family participation is encouraged.

Admission and Re-Enrollment:

Admission and, as applicable, re-enrollment is dependent on the following:

1. All deposits, registration and other required forms, teacher references and interview must be submitted, completed and evaluated. Any false or misleading statements made during the interview or on any submitted documents shall be grounds for denial of admission or immediate dismissal.
2. All financial obligations must have been met in a timely manner.

Occasionally, formal acceptance may be given on a probationary basis. In such case, **the Owner reserves the right to revoke acceptance or to dismiss a child at any time.**

The Owner reserves the right to place children in a classroom, to determine the teachers for a child, and to determine whether a particular child continues to meet the School's requirements.

Financial Policies:

Registration Fees:

New Families: The annual registration fee is due after the student has been officially accepted based on admission requirements. **This fee is \$125.00 per child and is payable after notification of the child's acceptance. This fee will be due upon enrollment.**

Returning Families: The registration fee is same as above.

The registration fee is a non-refundable fee unless admission is denied.

Materials Fee:

Will be collected per child at the beginning of each school year in August. This will ensure your child will receive proper educational supplies and materials required throughout the year. This fee is non-refundable.

Family discount includes a 10% discount for the oldest sibling.

Program options are Infants, Toddlers, 2, 3 & 4 year old Pre-School, Pre-K,

and School-Agers.

Families are responsible for any special diet required for their child with no adjustment to tuition given.

New enrollment registration fees are payable upon registration and are **non-refundable**. These fees serve to insure your child's placement in addition to covering the costs of processing the application for admission, If space is not available at the time of registration, your child will be placed on our waiting list. We will contact you when space becomes available.

Tuition is paid weekly or monthly in advance with no deductions for absence, holidays, teacher workdays and days the School is closed for inclement weather. Tuition is due Friday. If the tuition and fees are not paid in full by close of business Monday, a late fee will be assessed and the child will be subject to dismissal. Monthly tuition is calculated by determining the number of Mondays in the month and multiplying by the weekly rate.

When a payment is delinquent for one week, the space can no longer be reserved for your child. Your child will not be permitted to attend School as of Wednesday of any week that tuition is not paid in full.

Families will be notified of any changes in tuition within four weeks of the change. We reserve the right to change tuition and/or program fees due to unforeseen increases in expenses. Any additional services such as full day out of school, late pick-up, field trips, etc. must be paid the same day the services are rendered.

When a child has **transitioned full time** into an older classroom the new tuition rate will become effective on the first Monday after two weeks in the older classroom. The two-week frame is to insure that your child has transitioned successfully.

No portion of your weekly paid outstanding tuition will be refunded or canceled in the event of absence, withdrawal or dismissal from the School. **Should it become necessary to withdraw your child for any reason, a two-week written notice must be given to the administration.** If the notice ends on a Monday, Tuesday, Wednesday or Thursday, tuition for the entire week is due. We reserve the right to dismiss any student at the discretion of the School's Director or Owner.

Before- and After-School Care Fees:

Before- and After-School Care is available for all children attending local public and private elementary schools. We provide transportation using Kids 'R' Kids School Buses equipped with seat belts. Fees for this program vary according to the school calendar.

Withdrawal:

Families are responsible for initiating the child withdrawal process. Families will need to give a **written two weeks advance notice** for the child's withdrawal. The family is responsible to pay full tuition for those two weeks. The family must ensure that any School property in the possession of the child or child's family is returned and any outstanding financial obligations are met.

Dismissals:

The staff will work with each child to meet the needs of that child and every effort will be made to provide a positive learning experience.

However, this School reserves the right to ask families to make alternative arrangements for care if it is determined that a child's needs cannot be met or the child has not adjusted to group care provided by the School. In the event behavior becomes disruptive to the program or poses an unsafe situation for the child or other children in the School, alternative arrangements may be required.

A dismissal will only be considered after careful consideration. If the School determines that our program is not a successful match, families will be given referral information to assist in the transition to a program better suited to the family's needs.

If you, the parent, are uncooperative in completing and returning forms, fail to pay your tuition on time, fail to follow any state or county regulations, or fail to follow any Kids 'R' Kids Policy or Procedure, it may be necessary to dismiss your child from our School.

Attendance:

School Hours:

This School is open Monday through Friday, 12 months per year, from **6:30 a.m. until 6:30 p.m.** We are licensed only for these specific hours of operation, therefore no early drop-off or late pick-up can be allowed.

Holidays:

We will be closed on the following holidays: **New Year's Day, Good Friday, Memorial Day, Labor Day, Independence Day, Thanksgiving Day, the day after Thanksgiving, Christmas Eve, and Christmas Day.**

If our School must close due to unexpected circumstances, such as inclement weather, then full payment of tuition is required. We reserve the right to close any additional days needed and full tuition payment is expected.

Arrival:

We recommend all children arrive by their classroom's morning group time. **Students arriving after 10 AM will not be permitted to attend school for that day unless they have a physician's note.** Morning activities usually begin at this time and this will help your child to be a fully participating group member. The School must be contacted if your child will be arriving after their classroom morning group time. All children must be escorted into a classroom by an adult. Upon arrival into the classroom, we ask that you wash your hands as well as your child's hands. This will help us minimize the spread of illness. Your child's arrival must be acknowledged by the classroom teacher before you can leave your child. Please note that if your child arrives after breakfast time, we will not be able to provide this service.

Departure:

To pick up a child from our School, an adult must come into the building, sign the child out, let the teacher be aware of your presence and escort the child out of the building. The family or guardian must supervise their child at all times after leaving the classroom, both inside the building and in the parking area. **If someone other than a family member is picking up a child,** they will be asked for a picture ID to match the person to the name given by the family. You may have names of people allowed to pick up your child. We will not release your child if said person is picking up is not on the enrollment form, and we will contact you.

Late Fee:

If you will be late arriving to the School for pick up, please call and notify the administration. **After 6:30pm there will be a charge of \$5 for every minute till the time of pick up.** If children are left at the School one hour after closing and no attempt to contact the School has been made, legal authorities will be contacted.

Health and Safety:

General Safety Statement:

All of the policies, rules and regulations presented in this handbook are designed to make the time your child spends at our School safe and rewarding. We have taken a number of steps to promote the safety and protection of your child while in our care. They are as follows:

- All exits and entrances are locked and only accessible by keypad code entry or key.
- Classrooms are surrounded on three sides by tempered glass walls for easy viewing.
- Frequent observations of the classrooms are performed by the administration.
- All common areas of the School are able to be viewed via the closed-circuit internet camera system which is password protected.

Sunscreen and Bug Repellant

Sunscreen and/or bug spray may be applied to your child while they are in attendance. Please bring the item labeled with your child's name. We will have permission to apply forms for these products. We will keep them in your child's room and apply as needed.

Classroom Safety:

Our School is located in an area which is free from conditions which are deemed hazardous to the physical and moral welfare of the children. Our School provides equipment and furnishings that are child-sized, sturdy, safe and in good repair. Individual teachers are responsible for the set-up of their classroom. It is part of their daily routine to wash and sanitize toys and furniture and to watch for and eliminate any hazards present in the classroom. Teachers are provided with guidelines as to what equipment and toys should exist in each classroom.

Playground Safety:

A safe, age-appropriate outdoor environment is provided for our children. The following rules are enforced for indoor and outdoor play areas: **Unless you have a doctor's note all children are to go outside twice per day.**

When a class has outdoor time, all children must stay with their class. Teachers will supervise the children on the playground at all times.

In case of an accident, one teacher may bring a child in for first aid. At no time will the class be left on the playground without appropriate supervision.

The administration and the teachers will inspect the playground daily and report any unsafe conditions immediately

Sick Policies:

Our ultimate goal is to provide a place where your child can learn, develop and have fun in a safe and healthy environment. Our school is not equipped with the staff or facilities to care for sick children for an extended length of time. We depend on you to assume care for your sick child. The following guidelines for excluding children help us to keep many communicable illnesses out of our facility and thereby maintain regular attendance from the majority of the children and staff.

A child will be excluded from the classroom and comforted by a member of our administration while the family members are contacted to pick up within two hours in the event of:

For infants: fever of 100.5 degrees or higher

Children ages 1-12: fever of 100.5 degrees or higher

Two diarrhea episodes in a day

Skin rashes that are not diagnosed by a physician's note

Vomiting episodes of more than one a day

Nose drainage that is thick and green or excessive for the comfort of the child

Eye drainage of any type accompanied by red eyes or mucus crusted around the eyes

Pink eye or symptoms similar to those of pink eye

Chicken pox or measles sores are suspected

Scabies are suspected

Respiratory problems including uneven breathing or severe coughing with wheezing or croup

Sore throat, especially if swollen glands are suspected

Strep throat symptoms are suspected

Head lice are found

Appearance or behavior is unusual, and the teachers agree that the child is not feeling well enough to participate with the rest of the class including lack of appetite, confused or irritable

Unusual color is noticed in the child such as jaundiced eyes or skin, pale in the face, stool or urine is an unusual color

All of these conditions (except fever) will require 24 hour treatment or a doctor's note for the child to resume their normal attendance schedule. Children must be completely fever-free for 24 hours without the aid of medication before returning to School.

If your child becomes ill at the Center, we will contact you and isolate your child from other children until she/he is picked up from School. If your child is absent, please contact us and let us know the reason. We will need this information to prevent the spread of contagious disease in the facility.

Infectious Diseases:

If a child or staff member is diagnosed with an infectious or communicable disease, you will be notified by a sign on your child's classroom door. The sign will contain the name of the disease, the date it was diagnosed, and any symptoms that would alert you to the presence of the disease. It is your responsibility to report to the School any infectious or communicable disease for which your child is diagnosed.

The School should be notified by the family if a child or sibling has contracted a communicable disease such as measles, pink eye, strep throat, head lice, hepatitis, meningitis, mononucleosis, or any other communicable diseases. The student with a communicable disease must be cleared by a doctor or nurse before returning to School.

Medication Policy:

Complete the medication form, available at the front desk and give it a member of management. This form is good only for one week. Additional forms will need to be filled for the following weeks.

We require that families provide a signed authorization including administration and dosage procedures for each medication to be administered. Any potential adverse reaction to the medication must be listed on the authorization so that the child can be properly monitored and families notified accordingly. This authorization is required at the beginning of each calendar week.

We do not permit non-prescription, over the counter medication or topical, non-medical ointment, repellent, lotion, without signed parent authorization.

Written authorization from the child's family and written doctor's authorization and instructions stating:

The child's full name

The name of the medication or the prescription number

The amount and frequency of dosage

The name of the prescribing physician

The date the instructions were signed by the physician

Over-the-counter medicines must be in their original containers.

Medicine is administered at 10:00 a.m. and 3:00 p.m. by a member of the administrative staff. If your child is to have medicine at any other time, families must make arrangements to come by the School and administer the medicine themselves or make other arrangements with the School Management.

Special circumstances requiring the administration of additional medications must be discussed with the School.

We will not administer any medication after its expiration date or for non-medicated reasons, such as to induce sleep.

We will not accept a Medication Authorization Form that states the medication to be given "as needed." Parents must indicate the exact conditions under which the medication should be given.

Only ONE medication can be listed on each Medication Authorization Form.

If your child receives an antibiotic from his/her doctor that specifies a 2 times per day dosage, those doses should be administered both before and after School. If the antibiotic should be given 3 times per day we will gladly include it in our afternoon medications. Please note that antibiotics must be given at home for 24 hours prior to your child returning to School.

Prescription medication must be in its original container bearing the pharmacist's label.

All medications must be dropped off and picked up at the front desk, each day. These medications will be stored in a locked secure area inaccessible to the children. Medication may not be transported to the classroom by families. **NO MEDICATION MAY BE PLACED IN THE CHILD'S BAG OR TAKEN INTO THE CLASSROOM FOR ANY REASON.**

All medication must be taken home daily to ensure proper family control.

Exceptions to this rule are life-saving medications such as breathing treatments. Any child needing these types of medications administered will be placed on a "Care Plan" developed by the child's family, a medical expert, and the School Director. Any "Care Plan" currently in use will remain so until renewal time (at least every 6 months).

Children are not allowed to bring any type of medication to the School to administer themselves.

Emergency Medical Care:

Each child, upon enrollment, must have emergency care information on file. It is the family's responsibility to keep this information current. In the case of a medical emergency, you will be notified immediately.

If warranted, emergency medical personnel will be contacted to provide transportation to the nearest hospital specified on the Health and Emergency Information form. If possible, a member of the School administration or the child's teacher will accompany the child.

Immunizations:

The School must have on file the Immunization Records for each child with specific dates recorded. These forms are obtained from a private physician or the local Health Department. The immunizations must include:

- a series of 5 DPT doses (age appropriate)
- 4 doses of polio (OPV)
- 2 doses of measles, mumps, rubella (MMR) (age appropriate)
- Completed 3-shot hepatitis series
- Vermicelli (chicken pox) shot
- All forms must be dated and signed by a physician before the child's first day of School.

Children aged 4 and above must provide documentation of hearing and vision exams.

At this time we do not require our staff to have proof of immunization.

Incident Reports:

Staff members may apply simple first aid at the School for minor injuries such as cuts, abrasions, bruises, and insect bites. If any of these occur and first aid is administered, an Incident Report will be completed. This report will state the nature of the injury, the cause, and the treatment. It will be signed by the teacher who completed the report, a member of the administration and the family. The School will then log the incident in the child's file. If an accident is caused by or involves another child, that child's name cannot be given out and will not appear on the report. Families will be notified immediately if a child receives any injury other than a minor one.

Reporting Abuse and Neglect:

In the event a trained staff member feels a child has been abused or neglected, that staff member has the responsibility to report his/her suspicion to the CPS. All activities will be documented, including the initial report by the

staff member. The staff member may choose to remain anonymous.

The CPS hotline is 1-800-252-5400. You may report any suspected child abuse at this number.

All allegations of abuse or neglect will be received by the state agency overseeing child care as well as Kids 'R' Kids International, Inc. CPS will determine if an investigation is needed within 24 hours of the complaint. Even if CPS determines the allegation does not warrant investigation, the complaint shall be investigated by Kids 'R' Kids International, Inc.

We take our responsibilities to report suspected child abuse, neglect, and abandonment seriously and will cooperate with governmental authorities in connection with their investigations. If you have any questions regarding the School's mandatory reporting obligations, please consult the Owner.

Reporting of Accidents and Hazards:

All accidents, including those which do not involve serious injury, must be reported immediately to the Owner or Director by the staff member. Only through full knowledge of accidents can we strive to maintain a safe and healthy place.

Immediately report any unsafe conditions, defective equipment or other hazards to the Owner. Children are expected to assist in maintaining safe conditions. Safety is a state of mind and requires constant vigilance and common sense. Safety is everyone's responsibility.

Emergency Procedures:

If an emergency situation develops such as severe weather, fire, physical problems with the building, or power failure, the children's safety is our first concern. Evacuation route diagrams are posted throughout the facility.

The School is equipped with a fire alarm system, a sprinkler system, fire extinguishers in each room, and a weather alert radio.

Fire drills are performed on a monthly basis and all staff members are instructed on proper tornado procedures. In the event of a natural disaster such as a hurricane, a freeze, etc., the families will be notified as soon as possible to pick up their child. If the family cannot be reached, the emergency contact will be called (this person should be local to the School).

Child Conduct:

Basic Expectations:

Our discipline policy at Kids 'R' Kids is built around our understanding of child development. Our goal is to allow each child to find and develop their own personal self-management skills. As teachers and staff, we offer children choices so they feel powerful in their ability to gain self-control. We use positive behavior management techniques such as positive phrasing and "I" statements as ways to further develop self-discipline. In situations where children are having a difficult time managing negative emotions, they may be removed from the over-stimulating environment to a quiet area where a teacher or member of the administrative staff can work one-on-one to resolve the situation. Families will always be informed if a situation such as this has occurred. If a child continues to have a difficult time, a team meeting with the family may be requested. This meeting will consist of the team developing a plan of action to best meet the needs of the child and the family.

Discipline:

Praise, positive reinforcement, and redirection are effective methods for behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy taken from the Kids 'R' Kids Parent Handbook and the NAEYC Code of Ethics.

At Kids 'R' Kids Learning Academy we use a method of 'redirection' to guide children toward appropriate behavior. If a child is engaged in behavior that is not conducive to a safe and happy learning environment, the teacher will redirect the child toward appropriate behavior. Incident reports are given to be signed by the parent, if the child has not shown self-discipline during the day.

"Above all, we shall not harm children. We shall not participate in practices that are disrespectful, degrading, dangerous, exploitative, intimidating, emotionally damaging, or physically harmful to children." (NAEYC Code of Ethics – Principle-1.1)

Child Behavior:

Children will be subject to disciplinary action up to and including immediate dismissal for:

Abuse or damage of School property Bullying/Harassment/Hazing Committing a serious breach of conduct inside or outside of the School Disrespect Disruption of School functions Fighting Lewd or obscene behavior Possession or sale of tobacco, alcohol, drugs, or drug related items	Possession or use of a weapon, among other things Profanity or vulgarity Sexual or other misconduct Stealing Threatening behavior Verbal or physical assault Violation of School's "Computer/Network Policy" Inappropriate use of the Internet. Willful disobedience
--	--

Biting:

The School understands that occasional displays of aggression, like biting, are typical in young children and are part of normal early childhood development.

We will work with the child, the parents, and the staff to sign language, words, and redirect the biting with acceptable communication.

Harassment, Bullying or Hazing:

Our School is dedicated to fostering an environment that promotes kindness, acceptance, and embraces differences among individuals. Therefore, we will not tolerate any type of harassment, bullying or hazing.

Harassment includes, but is not limited to, slurs, jokes, and other verbal, graphic, or offensive conduct relating to race, religion, color, sex, national origin, citizenship, or disability.

Bullying includes, but is not limited to, physical or verbal aggression (hitting, kicking, taunting, name-calling, teasing, threatening, ridiculing, etc.), relational aggression (harming or threatening to harm relationships or acceptance, friendship, or group inclusion), and emotional aggression (teasing, threatening, intimidating others). The School also prohibits cyber-bullying (creating websites, instant messaging, e-mails, text messaging, using camera phones or other forms of technology to engage in harassment or bullying).

Any of these types of offensive conduct can create an uncomfortable learning

environment.

All concerns relating to harassment, bullying or hazing should be reported immediately to the Director/Owner. When the School administration becomes aware of harassment, bullying or hazing, the situation will be promptly investigated. *Any child found to have violated this policy will be subject to disciplinary action, including immediate dismissal from the School.* No retaliation or adverse action will be taken against any person who makes a good faith report of harassment, bullying or hazing.

Drugs, Alcohol, Tobacco:

Although it should go unstated, children must abstain from the use or possession of alcoholic beverages, illegal drugs, or tobacco products, both on and off School property. In the event that the School becomes aware of a child's involvement in any of the above-mentioned activities, the Owner will determine appropriate action, which may include substance-abuse testing, treatment, suspension, or expulsion.

This policy does not prohibit the proper use of medication under the direction of a physician. However, the misuse or abuse of such drugs is prohibited. Children who are taking prescription or non-prescription drugs which could affect their ability to function in a safe and efficient manner must notify the School of this fact when they report to School.

Consequences, Suspension, and Expulsion

In addition to determining the appropriate disciplinary action pursuant to the School's Discipline Procedures, the School reserves the right to impose additional or different requirements as appropriate for the circumstances in its sole discretion. We prefer to work with all involved and see if behavior can be redirected in to a more acceptable behavior. However if there is an incident where other children or staff may be harmed we will suspend or ask child to leave.

Threats/Weapons:

The School has a zero-tolerance policy in regard to threats and weapons. The possession of dangerous weapons, such as guns and knives, or the display of any item that may be perceived as threatening, whether on or off School property, may be cause for immediate dismissal. Similarly, threats will be addressed as a serious issue. The School will determine the appropriate consequences depending on the circumstances.

Searches:

Admission to our School is conditional upon consent to searches by the School. Refusal to comply with a request for permission to search a child's

possessions may result in suspension or immediate dismissal of the child.

Behavior Probation:

Children who are placed on behavior probation may be required, at the School's discretion, to have their family sign a probationary agreement with the School as a condition of continued enrollment. Failure to comply with the stipulations in the disciplinary probation agreement may result in dismissal.

Family Cooperation:

A positive and constructive working relationship between the School and its families is essential to the fulfillment of the School's educational purpose. Thus, the School reserves the right not to extend the privilege of enrollment or re-enrollment to a child if the School reasonably concludes that the actions of the child's family make such a positive and constructive relationship impossible or otherwise seriously interferes with the School's accomplishment of its educational purpose. Moreover, the School reserves the right to expel a child at any time if, in the judgment of the Owner, conduct of anyone directly associated with the child, including but not limited to the child's family, in or out of the School, is not in keeping with the School's accepted standards or principles. There will be no refund of tuition where such enforced withdrawal occurs and any unpaid balance is payable in full according to the terms of the child's enrollment contract.

Dress Code:

All children must be fully dressed and wear closed-toed shoes, no Crocs or sandals. All items must be labeled.

Confidentiality:

Information pertaining to the children enrolled at the School and the staff employed at the School is considered confidential.

Texas Department of Child Care Licensing can have access to children's files.

To set up playdates or send party invitations, etc., families often ask for the phone numbers and/or addresses of other children in the School. We will happily pass notes or messages from you, but we cannot release confidential contact information.

Babysitting services:

The staff of the School are not permitted to offer babysitting services outside hours of business.

Diapering:

Children are checked at scheduled intervals throughout the day and changed at the first sign of wetness or soiling. No child is knowingly left in wet or soiled clothing. For children who wear diapers or toilet training pants, each family must provide an ample supply for each day/week. We do not supply these items and families will be notified if a child is running low on supplies.

Field Trips:

Classes may plan field trips during the year to acquaint children with community resources and to provide educational experiences that will enhance classroom-learning activities. **A signed participation and release form is mandatory for field trips. A child will be unable to attend a field trip unless a signed field trip form is received from a designated family member or guardian.** Families are encouraged to contact their child's teacher to see if additional chaperones are needed.

Children scheduled to go on a field trip will wear a Kids 'R' Kids t-shirt and a bracelet identifying the child as a student of Kids 'R' Kids . A child may be checked out from a field trip as long as the family has signed a release form. This policy is to help the staff keep an accurate count of the children.

Classes will use the School's bus for trips unless another means of transportation is authorized by the Owner.

Lost and Found:

All items turned in to the Lost and Found will be held for 30 days. If not claimed, they will be discarded or donated to a charitable organization.

Meals and/or Snacks:

Our School will provide a nutritious breakfast and lunch every day along with a snack in the morning and afternoon. Meals and snacks served at our School comply with the Meal Patterns for Children in Child Care Standards which are based on the recommended nutrient intake judged by the National Research Council to be adequate for maintaining good nutrition.

We are a nut-free School. Absolutely no peanut products may be brought into our School. This includes food products that are cooked with or near nut oil. Children ages 2 and older will be served in the School's Cafe.

Infants:

A written feeding plan for children under twelve months of age must be

completed and submitted by the families. This plan should be updated regularly every thirty days.

All baby bottles (including the cap) must be clearly labeled with the child's name and current date. Formula or expressed milk must be brought in appropriate amounts for feeding. Any milk warmed must be used within an hour or it will be discarded.

Preschool:

Meals and snacks are provided by the School and are according to the schedule posted in the Café. Mealtime is seen as a part of the learning process. Children are served in the Kids Café and are encouraged to display proper table etiquette. They are also encouraged to taste all the food that is served but are not forced to eat anything. At no time is food withheld as punishment.

School-Age:

Children enrolled in our Before-and After-School program will be served breakfast and an afternoon snack while in our care. Lunch is also provided if the school-age child is present during lunch time (summer and school holidays, etc.).

Allergies and Special Diets:

A weekly menu is posted in the Kids Café including all food that will be served for snacks and meals. Any special diets for food allergies, not available by the School, must be provided by the family and accompanied with a physician's note. This includes children who prefer water or juice instead of milk during meals. No tuition discount is given for food brought in by families with a doctor's note. No food shall be brought in for your child or the class without prior approval from the administration.

Children aged 2 and up will eat on the Cafe.

*** We follow a schedule for meal times. We cannot save leftovers for late arrival students.**

Naptime:

All younger children are required to have a quiet time following lunch and are encouraged to sleep during this time. Children who are five years of age and older are not expected to nap but are provided with quiet time. Children who fall asleep will be allowed to sleep until the end of the rest period, as

designated by the daily schedule. Children may bring a small item to comfort them and help them rest. The item, including a small pillow, must be small enough to fit into their school bag. We cannot accept full size pillows or sleeping bags.

Personal Belongings:

Upon enrollment in our program you should bring the following for your child:

At least two complete changes of clothing appropriate for the weather with each item labeled with the child's name or initials, including socks and underwear

A supply of disposable diapers for children who are not yet toilet-trained

You may bring a lightweight blanket or soft toy for rest time that is labeled with the child's full name.

Any prepared food for infants or toddlers who are not yet able to eat items listed on the weekly menu

All children will be outside during the day, weather permitting. Please make sure your child has adequate clothing for outside play. (This includes closed-toe shoes only. No open-toe shoes – flip flops or sandals – will be allowed at School.)

If your child is too sick to go outside, a physician's note explaining the reason should accompany the child before the exclusion is accepted.

Pets:

Because of health and safety concerns, pets may not be brought to School without the Owner's advance consent. When picking up or dropping off your child, please keep pets in the vehicle.

Photo Release Policy:

Upon enrollment, you will receive a copy of our Photo Release Policy to read and sign. Many pictures will be taken in your child's class and throughout the School during the time that your child is our School. Other families and teachers may take snapshots of parties and special events within the program. If for any reason you do not want your child photographed, please let the Director/Owner know as soon as possible. Also, be sure you make the classroom teachers aware of your wishes.

Prohibited Items:

The following items should not be brought to the School by children:

Cell phones

CDs, DVDs, iPods, PS2s and similar items

Cameras and video cameras

Skateboards
Electronic games
Inappropriate reading material
Any other items that would distract from learning.
Chewing gum or candy

Safeguarding Valuables:

Children should not bring excessive amounts of money (over \$5.00 is considered excessive) or other valuables to the School. Valuables such as expensive clothing, blankets, toys, electronics, jewelry (necklaces, bracelets, earrings, etc.) should not be brought or worn to School. The School will not be responsible for lost, stolen or damaged valuables.

Special Events:

Arrangements should be made with the teachers regarding a birthday or holiday party. If you are bringing a cake or special snacks to the class, they will be served in addition to snack/meals required by the general nutrition policy, and they must be purchased from the store and have an ingredient label. No homemade food will be accepted for School parties due to possible food allergies present in the classroom.

Holiday parties will take place in the classroom throughout the year. Generally, a note is posted to notify families of an upcoming party and many times families are asked to volunteer to bring food or drink. If at any time you object to a party for religious or other reasons, please notify your child's teacher as soon as possible so we can make arrangements to otherwise care for your child during that time. We will assume that all children can participate unless notified to the contrary.

YES to...

Planning a party at our School and coordinating with the Director
Commercially purchased food may be brought in, but remember, the food:

Must be commercially made
Must have an ingredient label
Must **NOT** contain nuts
Must **NOT** be processed near nut oil
Must **NOT** contain raw eggs
Goodie bags can only be given to the parents, when the child is going home.

NO to...

Latex balloons
Ceramic plates or glass in classrooms or Kids Café

Telephones and Other Electronics

We do not allow cell phones for the children. Children should keep cell phones in their backpacks. We are not responsible for their cellphones.

Toilet Training:

When you believe that your child is ready to begin toilet training, please discuss this with your child's teacher. We will assist by encouraging your child to visit the toilet between diaper changes. With the first signs of success, we will recommend that you send your child to school in training pants. Because toilet training can result in many soiled clothing items at school, please be sure your child comes to school with several (two to three) changes of clothing. Be sure extra clothes are appropriate to the present season and are labeled with your child's full name. All soiled clothing will be sent home the same day for laundering. The School is prohibited from laundering any child's soiled clothing within the School's laundry.

Toys:

The School provides many toys for the children's learning centers. Therefore, we request that toys not be brought from home. Please note this does not include special transition objects such as blankets or other security items to which your child is significantly attached.

Transportation:

Transportation is provided to and from the school only with parental permission. The Kids 'R' Kids transportation forms must be signed once a year. Field trip forms must be signed before each trip.

If we take your child to school in the morning, then we will pick up your child at dismissal time unless otherwise notified. If we do not take your child to school, then we assume that she/he is absent and we will not expect to pick up your child unless it is agreed upon in advance that you will provide morning transportation and we will provide afternoon transportation.

You must notify us each time your child does not need transportation to or from school when we normally provide this service to you. If we are not notified that your child does not need transportation from school to Kids 'R' Kids in the afternoon before the bus leaves our facility, a \$15 fee will be charged.

Visitors and Volunteers:

Families and visitors are welcome at the School during school hours while their child is present. Families and visitors **must** first report to the staff at the front desk before visiting any class or any other location on School property during School hours. Families who want to help in the classroom, Kids Café, playground or during field trips are asked not to bring siblings or other children with them.

Our staff have a dress code that stresses professionalism and modesty. Families are requested to be an example of these ideals when visiting Kids 'R' Kids and attending field trips.

Parking

We have reserved parking spots on each far side of the parking lot for our families as they are more convenient, and a shorter walk to the building. We do not permit families to walk on the grass median as it is too steep and unsafe.

Final Statement:

We at Kids 'R' Kids want to provide you with the highest quality care for your child. We believe that nurturing children in a loving, wholesome environment is a community need that we do best, because we commit ourselves to providing superior child care and early education services.

Any changes to School's policies will be emailed to families. We will also have all updates available at the front desk.

Addendum

Parking/Drop Off and Pick Up

Parking in the lane closest to the School is reserved only for families who are dropping off (NOT parking) infant children carried in carseats under the age of 18 months.
