Parents Night Out

Summer Camp Feedback!

This has been Kids 'R' Kids of Lake Conroe's most successful summer camp yet! It makes us so excited that our summer friends are having a blast! We have lots more fun activities planned for July! Keep your eye out for the summer camp July calendar for more information! If you know anyone who's looking for a great summer camp, refer them today!

WELCOME!

Changes at Kids 'R' Kids of Lake Conroe

As many of you may know, Ms. Zaynah our Owner is coming to the end of her pregnancy! We are so excited for the Haque family during this transition! This transition also means we'll be having our own management transition while Ms. Zaynah is out on maternity leave beginning Mid July.

Ms. Gaby our Assistant Director will be stepping in to the role of Interim Director during this time. Ms. Evelyn is our Administrative Assistant, while Ms. Frances continues as Curriculum Coordinator of the Center. These three lovely ladies are your go to people for any concerns, questions or clarifications you may need addressed. The Haque family has full confidence in these ladies as they keep the ship sailing forward while Ms. Zaynah tends to baby girl at home.

Mr. Mahmood will still continue to remain on-site if you ever would like to speak to him as well! Please be assured that we will continue to have Owner presence in the school even in Ms. Zaynah's absence. She will still continue to be dropping off and picking up her older daughter Hanna so don't be a stranger if you ever see her in passing and would like to bring anything to her attention! :) We are always here for you all.

Below is the contact information for our administration team:

Ms. Gaby Hernandez:

assistantdirector@kidsrkidslakeconroe.com

Ms. Evelyn Narvaez:

info@kidsrkidslakeconroe.com

Ms. Frances Jackson:

curriculum@kidsrkidslakeconroe.com

Friday July 16th is our next monthly Parent's Night Out from 6:30 to 9:30 pm! This is the perfect opportunity for some quiet time and to enjoy the night while the children have lots of fun! Dinner is provided. \$25 for first child, and \$15 for any additional children.

Please note that we will be more firm about our 10 am cut off for drop off as late arrivals can impact the consistency of teachers/students in the classroom!

Family Referral!

A BIG shout out to the Mitchells, Roland, Wright and Hogg families on receiving their \$250 Amazon/ Target gift cards as a part of our referral

program! Thank you for always keeping us in mind

If you are ever helping spread the word, please don't forget to have the referred family mention your name so you may receive your gift card as well!

Summer Water Day!

We are so excited to have a Water Day at Kids 'R' Kids of Lake Conroe on **Friday July 9th at 3:00 PM for Suites 200 and up!**

We plan on having some fun in the sun after nap time at 3 and don't plan on being outdoors for more than 30 minutes to avoid dehydration and heat exhaustion.

In order to keep our water play as safe as possible, we will avoid any wading/splash pools where water can collect. We are asking parents if they'd like to bring water squirters, water guns, etc. Please make sure all toys are all age appropriate. Suites 200 and 250 will be providing water tables to promote sensory play.

For Water Day we ask you bring towels, a change of clothes, swim diapers if your child is normally in diapers/pull ups throughout the day, and sunscreen if you'd prefer. Swim shoes are also an option. If you plan on bringing sunscreen, please make sure you ask for a form up front to fill out so we may apply the sunscreen. Please note that without proper documentation, we cannot apply sunscreen on your child. Please make sure everything you bring is labeled! (This includes, toys, swim diapers, extra, clothes and towels).

Below are some images of ideas (taken from Amazon)

Family of the Month

Congratulations to the Roland Family on being our Family of the Month! We appreciate the Rolands for always giving us honest feedback and helping our school grow. Y'all are awesome cheerleaders who have always told friends and family about us, which is the best compliment. Mr. Roland being an educator himself as the Asst. Principal of Geisinger has been a great resource for us. We love that he knows so many of our after schoolers, too so that's always a bonus! It's the best experience as educators to see children like Grace grow from infancy to the toddler phase right in front of our eyes. Her sweet smile makes our day, everyday!

Teacher of the Month

Ms. Jackie is the epitome of a team player! She comes in, does her job like a pro and is such a great help during it all! Ms. Jackie loves her babies so much, as if they were her own and that's so hard to find in teachers these days. We appreciate her spreading her great work ethic, and helping us train other teachers how to provide the best care for our infant students. Thank you Ms. Jackie for all you do each day for Kids 'R' Kids of Lake Conroe!
