Here is what's happening at Kids "R" Kids Landstar!

2020-21 VPK

We are still enrolling!!

We Are Proud to Offer Free Voluntary Pre-K and Full Day Program. Offering Our Students a Healthy and Safe Classroom Environment.

Classes will begin August 21st

We will be sending an email with classroom assignments, teacher introduction and policies and procedures.

COVID-19

As we work to follow CDC guidelines we will continue to receive our children at the front lobby.

Children's temperature will be checked at the front door. Any children with a temperature higher than 100.4 will not be admitted into the center. If a parent must enter our facility, the use of a face covering is required

Our goal is to provide a safe and stress free environment for our children away from the unfortunate events that our world is experiencing at this time.

Check out our monthly magazine at:

Abigail S.	8/21
Delila T.	8/25
Zaine S.	8/26
Joziah O.	8/28
Nathan B.	8/30
Noah BB.	8/30

Regular hand washing is one of the best ways to remove germs, avoid getting sick, and prevent the spread of germs to others.

Washing hands with soap and water is the best way to get rid of germs in most situations. If soap and water are not readily available, you can use an alcohol-based [hand sanitizer](#) that contains at least 60% alcohol. You can tell if the sanitizer contains at least 60% alcohol by looking at the product label.
