Happy Birthday Dr. Seuss!

Join us the week of March 2-6 to celebrating Dr. Seuss birthday. On Friday March 6, 2026, we will be having our Dr. Seuss Parade. The event will start at 10:45AM. We look forward to everyone attending.

EMPLOYEE OF THE MONTH

Carmen Zayas

Please join us in congratulating Ms. Carmen as our employee of the month. She has been with our company for three years. All the parents, staff and students love her. We could not do it with out her willing to jump in where ever she's needed. We are happy to have on our team.

SMART CHOICE. SMARTER CHILD.™

Kids Learn Through Play

Children learn best through play. Kids R Kids allows time for children to practice self-directed play in classroom learning stations as well as outdoors each day. When a child plays, the brain is working vigorously learning many new concepts. During play, the brain acquires problem-solving skills, develops vocabulary, learns eye-hand coordination, strengthens self-confidence, all while learning about the world and how to work with others.

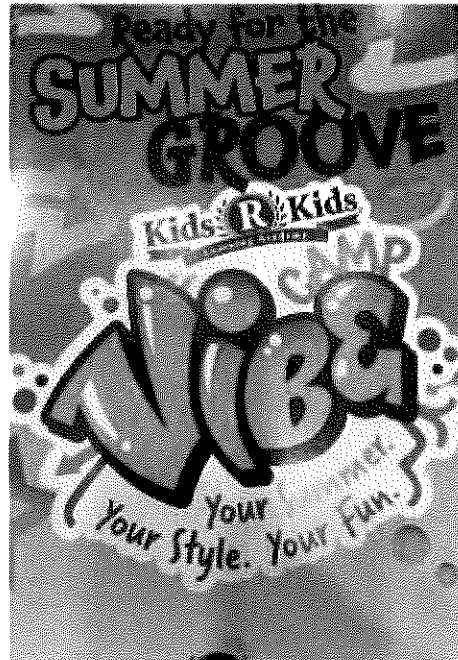

Birthday Package

Let Kids R Kids take away the hassle of planning your child's birthday party! You can purchase a Birthday Package and celebrate with their friends at school.

We Hold The Future

Kids 'R' Kids Learning Academy wants all children to have the opportunity to grow physically, emotionally, socially, and intellectually by playing, exploring, and learning with others in a fun, safe, and healthy environment.
